

HISTORY OF DEPARTMENT

The Establishment of B.ID, VNSGU. was a result of several forces of the design fraternity who came up together to create a platform for the young generation to explore the vast field of Interior Design along with Fine Arts, which was lesser known to the city then. The initiative taken by the Lt. **Shri Jagdeep Smart and Shri Kapildev Shukla** along with the support of Ex-Vice Chancellor **Mr. Deshkar** back in to 2006 has completed 13 years journey this year in 2019. Looking back at the glorious past of the institute it has travelled a long way and raised the bar up to a very high level.
