Dear Sir,

Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE)

Experiential Learning Gandhiji's Nai Talim Curriculum was released by the Honorable CM on 5th September Teachers Day. In keeping with the intent to propagate experiential learning to students in schools and Universities in the country, it is important to generate the necessary tempo towards Gandhiji's *Nai Talim*. Doing so in the run up to the 150th Birth Anniversary of Mahatma Gandhi would be fitting tribute to his ideology and principles.

I request you to plan to undertake a **week-long campaign from 26th of September to the 2nd of October, 2018** in the University and undertake various activities to propagate *Nai Talim* in campaign mode. The campaign will culminate with **2nd October celebrated as *Nai Talim* Day - a step and walk forward towards a re-defined experiential curriculum and learning.**

I request you to kindly **issue orders** to the various affiliated B Ed Colleges to plan and undertake activities in line with Gandhiji's *Nai Talim* Work Education during the said dates either by inviting or organising visits to a demonstrative site and/or personal practice based session on any traditional local trade or occupation or agricultural operation for the students.

The possible plan of action is enclosed for your use.

Thanking you.

Yours sincerely,

Chairman
