

VEER NARMAD SOUTH GUJARAT UNIVERSITY, SURAT

Dr.Kiran Pandya, Professor and Head, Department of HRD, VNSGU, Surat appointed as member of National Statistical Commission

Dr Kiran Pandya, Professor and Head of Department of Human Resource Development (HRD), Veer Narmad South Gujarat University (VNSGU), has been appointed as member of National Statistical Commission (NSC) by the Appointment Committee of the Cabinet (ACC). This is first time that a researcher and academican from the state has been appointed as NSC member.

The central government appoints NSC members for a term of three years on the recommendation of a search committee. NSC, a four-member advisory body to central government on statistical matters, initiates research projects, prepares reports and identifies the core statistics of national importance, which are critical for the development of economy.

The VNSGU family feels proud and congratulates Dr. Pandya on such a prestigious position. The university wishes Dr. Pandya a very productive tenure at NSC and wishes that he brings accolades for VNSGU and Surat city as a whole.
