TEACHERS FEEDBACK ON CURRICULUM

Name of the Teacher : Prof Pankajsinh B Thakor

Course Name : PHYSICS PH-411 Mathematical Methods of Physics

Semester / Year : I Academic Year : 2022-23

Program Name : M.Sc. in Physics

This questionnaire is intended to collect information relating to the satisfaction of teacher for the course he/she is teaching. The information provided by a teacher will be used as a valuable feedback for quality improvement of the program.

**Directions:** a score for each item, please indicate your level of satisfaction with the following statement by choosing between 1 and 5

Excellent : 5 Very Good : 4 Good : 3 Average : 2 Poor : 1

1.	The syllabus is suitable to achieve the outcome, of course.	4
2.	Syllabus of the course is contemporary and need-based.	4
3.	The course content adds the value of the students.	4
4.	The aims and objectives of the syllabi are well defined and clear to teachers and students.	4
5.	Course content is followed by reference books.	4
6.	The books prescribed/listed as reference materials are relevant, updated, and appropriate.	4
7.	The course of my subject enriches my perception of the subject area.	4
8.	The course content covers in-depth knowledge to impart to the students	4
9.	Total content is sufficient to complete within stipulated time assign to cover the entire syllabus.	4
10.	The course has a right balance between theory and Lab. (FOR PRACTICAL ORIENTED COURSES ONLY)	4

TEACHERS FEEDBACK ON CURRICULUM

Name of the Teacher : Dr. Dipali J. Chokhawala

Course Name : Practical sem - II

Semester / Year : II Academic Year : 2022-23

Program Name : M.Sc Physics Practicals

This questionnaire is intended to collect information relating to the satisfaction of teacher for the course he/she is teaching. The information provided by a teacher will be used as a valuable feedback for quality improvement of the program.

**Directions:** a score for each item, please indicate your level of satisfaction with the following statement by choosing between 1 and 5

Excellent : 5 Very Good : 4 Good : 3 Average : 2 Poor : 1

1.	The syllabus is suitable to achieve the outcome, of course.	4
2.	Syllabus of the course is contemporary and need-based.	5
3.	The course content adds the value of the students.	4
4.	The aims and objectives of the syllabi are well defined and clear to teachers and students.	5
5.	Course content is followed by reference books.	4
6.	The books prescribed/listed as reference materials are relevant, updated, and appropriate.	4
7.	The course of my subject enriches my perception of the subject area.	4
8.	The course content covers in-depth knowledge to impart to the students	4
9.	Total content is sufficient to complete within stipulated time assign to cover the entire syllabus.	5
10.	The course has a right balance between theory and Lab. (FOR PRACTICAL ORIENTED COURSES ONLY)	4

This questionnaire is intended to collect information relating to the satisfaction of teacher for the course he/she is teaching. The information provided by a teacher will be used as a valuable feedback for quality improvement of the program.

**Directions:** a score for each item, please indicate your level of satisfaction with the following statement by choosing between 1 and 5

Excellent : 5 Very Good : 4 Good : 3 Average : 2 Poor : 1

1.	The syllabus is suitable to achieve the outcome, of course.	5
2.	Syllabus of the course is contemporary and need-based.	4
3.	The course content adds the value of the students.	4
4.	The aims and objectives of the syllabi are well defined and clear to teachers and students.	4
5.	Course content is followed by reference books.	4
6.	The books prescribed/listed as reference materials are relevant, updated, and appropriate.	4
7.	The course of my subject enriches my perception of the subject area.	4
8.	The course content covers in-depth knowledge to impart to the students	4
9.	Total content is sufficient to complete within stipulated time assign to cover the entire syllabus.	4
10.	The course has a right balance between theory and Lab. (FOR PRACTICAL ORIENTED COURSES ONLY)	5
