Ar. Yashvi Kapaldia, Teaching Assistant	Present

The said feedback reports were discussed and analyzed and consequently the following observation were made, decisions were taken and an action plan was proposed as follows:

The overall feedback received from students, teachers and alumni reflects high level of satisfaction. As this course is based on practical based learning, institute has overcome major obstacles and after effects of COVID-19 with the help of new teaching methodology.

These feedbacks gives incite on the need of more easily available resources at institute itself.

As institute has decided to implement NEP2020 from academic year 2023-24 reformation of current course is under process. Looking at contemporary opportunities for employability institute has already introduced short term certificate courses.

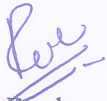

The following changes in the curriculum suggested from the analyses and discussion:

Resource generation: (tangible and nontangible)

- To procure more relevant and updated books and e-library sources.
- To develop dedicated workshops spaces with advance instruments.

Reformation of course and contact hours:

- To reevaluate contact hours per subject suggested in curriculum scheme.
- To develop new methodology to impart knowledge of subjects in stipulated time suggested.
- Keeping current opportunity of employability in mind need to introduce more practical based subject to make students' industry/market ready.
