9.	Brief Summary of Event	Date: 23/08/2017 Department organized thalassemia and sickle cell awareness and testing program for the students by the doctors and staff of the Surat raktdan Kendr. As most of the students of the department are coming from the rural tribal community this program is very helpful for them to understand about thalassemia and sickle cell in scientific way. In this program students actively participated in blood testing also. All students are tested for blood group, HB, Thalassemia and Sickle cell. And they get report as well.
