Veer Narmad South Gujarat University

Organized By
Department of Education

Date : 17/12/2025 to 19/12/2025

Time : 10:30 a.m. to 5:00 p.m.

About University

Veer Narmad South Gujarat University (VNSGU) is a prominent public university located in Surat, Gujarat. Established in 1965, the university has consistently aimed to be a center of excellence in higher education, aligning its goals with regional needs and emerging global trends. The University is committed to maintain high standards in both undergraduate and postgraduate teaching, promoting research and undertaking the requisite extension activities that would reach out to every section of society.

Named after the celebrated Gujarati poet Narmadshankar Lalshankar Dave, VNSGU boasts a sprawling campus of over 210 acres. The University, re-accredited 'B++' grade with 2.86 CGPA on 4 Points scale by the National Accreditation and Assessment Council in 2022. It offers a wide range of academic programs across 12 faculties, catering to approximately 250,000 students through its 27 postgraduate departments and over 250 affiliated colleges across the entire south Gujarat region.

About Department of Education

Education Department of this VNSG University has its origin from 1973. The education department is the only Grant-in-Aid institution in the entire south Gujarat Region that provide P.G. courses and Ph.D. in the education faculty. The department also has one self-finance unit for the M.Ed. programme to cater the needs of the students. The department is a Teacher Education institute. The department offers M.Ed. programme (having two units one is grant in aid and the other is self-financed) recognized by the NCTE.

The Department has the distinction of being a resourceful Teacher Education center due to the pedagogical and research contribution in the field of education. Doctoral guidance is being provided efficiently by the faculty members and about 160 Ph.D.s have been produced till to date. Many research projects have been financed by UGC, ICSSR, GUJCOST and other granting agencies. This department has renounced recognition at National and international level since its inception. Many state level, National level and International level Seminars, Workshops and Conferences are being organized.

The department has highly qualified and efficient faculty. Faculties of the Department are continuously involved in publication of books, research papers and thematic articles in various National and International journals and Magazines. The department has adequate and updated physical infrastructure.

About Workshop

This workshop equips teacher trainees with the tools and strategies to cultivate the essential skills students need to thrive in today's rapidly evolving world. Participants will explore the core competencies of 21st Century learning, including Critical thinking, Creativity, Collaboration, Communication and digital literacy. The workshop delves into practical strategies for integrating these skills into classroom instruction, fostering project-based learning and promoting student agency. Participants will also learn how to assess and measure student's progress in developing these vital skills.

Objectives

- To enhance theoretical and practical understanding among teacher trainees of 21st century learning Skills
- To develop pedagogical competence in 21st century learning skills.
- To enable teacher trainees to integrate Indian Knowledge Systems with the 21st century learning Skills.
