| 9. | Brief Summary of Event                                                                                                                                       | The Department of ICT, Veer Narmad South Gujarat University (VNSGU), Surat, organized a Hands-on Workshop on Malware Detection in Cloud Infrastructure on 3 October 2025. The session was conducted by Mr. Adarsh Kumar, PhD Scholar, who shared practical insights into cloud-based security challenges, malware analysis techniques, and detection methodologies used in modern cloud environments. Through real-time demonstrations and hands-on activities, the workshop strengthened students' understanding of cloud security workflows, threat identification, and malware mitigation strategies. |
