- Responsibility
- Respect

Message from the Hon'ble Vice Chancellor

The Department of Business and Industrial Management is the oldest University Department of Management in Gujarat. A team of highly qualified and experienced faculty members facilitate the learning process by engaging the participants with a mix of pedagogical tools. We believe in holistic development of the participants to our Programme. Industrial visits, trekking, visit to Organizations like Brahmakumaris, BSF Headquarters Barmer and Adani group Mundra to name a few and competitive events are steps in the direction.

Leadership qualities are inculcated in the participants so that they thrive in the VUCA environment and become contributing members of the society. Endeavors are made to bring about a change in their perspective about business, to see things in new ways and new perspectives.

The University as also the Department believes in industry-department collaborations. We have tie-ups with Industry Associations, Local Government Bodies and various Public and Private sector Organizations.

The Department for the last fifty three years has been instrumental in molding people to become better human beings and to take up responsible positions in society.

Message from the Head of the Department

Over five decades of its existence, the Department of Business and Industrial Management has provided trained and skilled management talent to the corporate sector – be it manufacturing or services.

The Department has a team of qualified and experienced faculty members, who constantly nurtures the young and talented students and prepares them to accept the challenges of the corporate world. We have adopted an interactive and participative teaching-learning methods to provide an engaging learning experience to the students.

The curriculum is updated and attempts are made to ensure that it is in sync with the latest developments in business and industrial arena across the world.

I am extremely grateful to the recruiters who have shown consistent faith in the Department's dedication to train the management talents. At the same time, I also welcome our new recruiters who are joining us this placement season. The story of a successful placement season is incomplete without due acknowledgement of the admirable and steadfast support of the distinguished alumni of the institute.

I once again heartily welcome the recruiters on our campus for the placement of the passing out batch 2023-25.

GENESIS and GROWTH of the Department

PHASE I 1970

- Ph.D. Programme

Objectives

- To facilitate students, faculty and administrative support staff in their development and growth enabling the Institute to be more effective in teaching-learning and extension activities.
- To generate a body of knowledge pertaining to successful Indian Management Practices through research and consultancy.
- To consolidate and strengthen the facilities for research studies in the area of Management.
- To work as a "Change Agent" to local industries/organizations.

Industry-institute linkage

Surat Municipal Corporation (SMC)

The SMC has collaboration with The Department for Designing and Execution of the Management Plan and Research Work for IEC Activities Related to Energy Conservation in Surat City.

Southern Gujarat Chamber of Commerce & Industry

The Department is closely associated with the Southern Gujarat Chamber of Commerce & Industry (SGCCI) for the conduct of its academic activities.

Surat Zari Goods Producers Co-operative Society Limited

The Department has provided training and other managerial inputs to the entrepreneurs of Surat Zari Industry. The Department has conducted a series of workshops to create awareness and sensitize the entrepreneurs about the Intellectual Property Rights (IPRS) and benefits of getting Geographical Indication (GI) for Surat Zari. The industry has obtained GI.

Memorandum of Understanding Between DBIM and Bombay Stock Exchange Brokers Forum

The department has signed an MoU with The Bombay Stock Exchange Brokers Forum, Mumbai to deliver quality services at the appropriate time by the computer resource persons to the stock holders for mutual benefits.

RISE aims to provide final-year students an invaluable opportunity to work alongside our team on live projects, simulating the experience of a full-time employee. This collaboration serves to bridge the gap between academia and industry, equipping students with practical skills and knowledge essential for their professional development - other than academic projects. The RISE program emphasizes defined KRA, ensuring that interns gain hands-on experience and contribute meaningfully to project outcomes.
