This is to inform all concerned applicants that the online application process for the Ph.D. Admission (2026-27) has concluded, and the Ph.D. Entrance Examination (VNSGU-PET) has been scheduled. The provisional list of candidates participating in the admission process—including both those appearing for the entrance examination and those who have claimed exemption from entrance examination—is hereby declared and published on the university website.

All applicants are directed to carefully review the published list and note the following important instructions:

1. Verification of Credentials: Candidates must thoroughly check the details listed against their names, particularly their **Subject, Category, and Score in qualifying examinations such as UGC-NET / UGC-CSIR NET / GATE / CEED / G-SET (where applicable).**

2. Procedure for Representations / Discrepancies: If any candidate identifies a discrepancy in their listed values/credentials, or if an applicant who successfully submitted the online form and fee does not find their name on the list, they are granted a fair opportunity to raise a representation.

- Candidates must submit a formal request along with a valid justification and relevant supporting documents.
- The representation must be sent via email to **pg@vnsgu.ac.in** strictly from the candidate's **Registered Email ID** (the email ID used to submit the online application form).
- Representations must be submitted on or before **[22/10/2026]**. Requests received after this deadline or from unregistered email IDs will not be entertained.

3. Options Regarding Entrance Examination and Exemption Claims: Candidates may submit a formal request regarding their examination status under the following conditions:

- **Opting to Appear for the Entrance Exam:** Candidates who have already claimed exemption from the entrance test but still wish to appear for the VNSGU-PET entrance examination may do so, but submitting formal request for the same on or before **[22/10/2026]**.

- **Claiming Exemption Post-Submission:** Candidates who possess valid scores in qualifying examinations such as UGC-NET / UGC-CSIR NET / GATE / CEED / G-SET but did not claim exemption while filling out the form, or those who have successfully passed such examinations after submitting their application form, may now submit a request to claim exemption.
- Such candidates must submit a written request via their registered email ID along with the recent scorecard before the deadline.
- **Important Policy Note:** Once a candidate officially requests to appear for the entrance examination (waiving their exemption), they will be evaluated strictly under the "**Entrance Category**" for the remainder of the admission process. They cannot request to revert to the "Exempted Category" at any later stage.

Please note that inclusion in this provisional list does not confirm the candidate's eligibility as it is based on the details entered and documents uploaded by the candidates. If any discrepancy found regarding a candidate's eligibility under the relevant Ph.D. Ordinances, rules, or regulations, or discovers any issue with the authenticity, validity, or truthfulness of the submitted documents at any stage of the admission process or even after admission, the University reserves the absolute authority to take appropriate legal and administrative action. Such actions may include, but are not limited to, the immediate cancellation of the candidate's admission or Ph.D. registration without any prior notice.

All candidates are advised to act promptly if any corrections are required.
