CONDITIONS GOVERNING THE AWARD OF PH.D. RESEARCH SCHOLARSHIPS

Twenty-five Research Scholarships each of **Rs. 2,500/- P.M.** will be awarded for each year, subject to the following conditions :

(1) PURPOSE :

These scholarships are instituted to encourage the talented students to go in for the research Degree in basic Sciences or Humanities or Social Sciences.

(2) VALUE OF SHOLARSHIPS :

At present there are Twenty-five Research Scholarships of each **Rs. 2,500/- P.M.**

(3) ELEGIBILITY :

(i) These scholarships will be awarded preferably to a candidate who has obtained a Ist Class in a Master's Degree. Failing which a candidate who has obtained at lease **55% (SC/ST 50%)** of marks at a Master's Degree Examination in the subject of his research.

Candidate who have applied under such scheme at any other University / Organisation, shall not be eligible for the award.

(ii) After the award of the Scholarship is notified, each scholar will submit on the prescribed from to the effect that he undertakes to abide by the conditions of the award. Such a statement should be endorsed by the parent or guardian of the scholar undertaking that in case the scholar fails to carryout the work by him, the parents or guardian will refund the amount of Scholarship already paid to the Scholarship to the University.

(Note : The Candidate should be Master Degree holder of this University or any ther statutory University in India.)

(4) DATE OF AWARD :

The Scholarship will be effective from the date of commencement of Research work and certified as such by the guide.

(5) The student shall carry on his research work either in the University Department or in a college / institution affiliated to or approved by the University full - time under the guidance of a teacher who is recognised to guide the students for the Ph.D. Degree in the particular subject.

(6) The candidate will not be allowed to study for any other course while he is registered as a Ph.D. Student.

(7) The scholarship shall usually be tenable for a period of one year and renewable every year, for a maximum period of two years for the Ph.D. Degree. Renewal of the Scholarship will depend upon the satisfactory progress report of the student through the Guide, under whom he is registered for the Ph.D. Degree. The Scholarship shall be tenable upto the time when the prescribed terms are over and it shall not be continued even if extension, if any, is granted to the candidate for completing his research work.

(8) A Student who does not submit the thesis within the prescribed time limit (including the extension granted under relevent rules) shall refund the amount of the scholarship and shall give a written under taking to this effect, at the time of the Award.

(9) The candidate shall not accept or hold any appointment calaried or otherwise, during the tenure of the award. The candidate may however, undertake some honorary teaching assignment not exceeding six hours a week with the consent of the University.

(10) He / She shall present a comprehensive report and supply to the University a copy of the thesis (Typed or Printed), free of cost.

(11) He shall have to give an undertaking to complete the research work before joining any other full time activity or gainful employment.

(12) If, at any time during the period of award, it is brought to the noticed of the University that the progress or conduct of the awardee is not satisfactory, the prent or guardian shall have to refund the amount of scholarship already paid to the candidate, to the University.

(13) The selection shall be made strictly on merits and on the recommendations of a \ Selection committee appointed by the Bord of Management for the purpose. The decision of the Bord of Management regarding the award shall be final.

(14) Application for the awards in the prescribed from duly completed by the candidates alongwith necessary enclosures should reach the University Office through the teacher who is recognised to guide the student for Ph.D. Degree in his subject and Principal of the College or the Head of the University Department.

(15) While forwarding the application the research supervisor shall certify that necessary research facilities for Ph.D. Studies, shall be provided to the applicant.
