

About University

VEER NARMAD SOUTH GUJARAT UNIVERSITY

**15 DAYS WORKSHOP ON
PROJECT/DISSERTATION
PREPARATION
FROM : 2ND TO 25TH
JANUARY 2023**

Veer Narmad South Gujarat University, as envisaged in the University Act, is to contribute to the field of higher education in the region and enable its inclusive development in all walks of life by making available trained personnel in various branches of human knowledge, keeping in mind the larger goals of nation-building. The University is committed to maintain high standards in both undergraduate and postgraduate teaching, promoting research and undertaking the requisite extension activities that would reach out to every section of society.

Veer Narmad South Gujarat University has endeavoured to be an institution of excellence in higher education since its existence, keeping in view the regional needs and the emerging trends in the global scenario. A semi-urban University located at Surat city, the University has a campus spread over 210 acres.

The mandate of the University is to meet the developmental needs of the seven districts and two Union Territory in the region and attempt at realizing their potential in every walk of life ranging from technology, business, industry and commerce to language, culture, and fine arts.

The University is committed to the ideal of excellence of the highest order, as evidenced by its constant revision of existing syllabi and continuous addition of new courses. It aims at optimal use of all its resources in creating a knowledge society, where rigorous scholarship and high ethical standards are blended to meet the challenges of the 21st century India.

About Department of Economics

The Department is one of the premier institutes of the South Gujarat offering the PG and Research degrees in Economics. The PG curriculum remains updated regularly with the inclusion of the intra-disciplinary papers like Accountancy, Agri-Business, Research Methodology, Computer Applications in Economics Analysis and Indian Political System as part of the course.

The department has completed over 40 research projects to date. Over 125 research students have been awarded Ph.D. and M.Phil. Degrees. The faculty of the department is involved in the research related to the cross-section and time-series data. The department has also initiated the publications of working papers in the department. To now 7 working papers have been published.

This apart, Capacity building workshops and seminars for the students and the teachers in the affiliated colleges have been a regular feature for the department. Needless to say that the beneficiaries have been the students belonging to the first generation and also the teachers in the affiliated colleges.
