UNIVERSITY EMBLEM

The emblem of VEER NARMAD SOUTH GUJARAT UNIVERSITY is a circular crest with a spiral of a six pointed star enclosed within a symbol of the sun. The triple imaged emblem is framed by the name of the University in Gujarati on the rim of the left third; in English on the right third, and the motto of the University in Sanskrit on the lower third of the round frame. The motto is "SATYAM GYANAM ANANTAM" which means "Truth, Knowledge, Infinity." The three-part emblem illustrates this with the sun representing truth, the star representing knowledge and the spiral representing infinity.

VISION

To be an institute of excellence in higher and technical education segment, sensitive to its regional needs and changing global realities.

MISSION

In pursuance of its vision, Veer Narmad South Gujarat University offers different programmes through well designed curricular, co-curricular and extra-curricular activities; undertakes research and reaches out to society at large with various extension activities, in order to empower its stakeholders for the world class skills in terms of research and enquiry, creativity and innovation, capacity to use high technology and value-based ethical leadership.

ABOUT VEER NARMAD

Narmadashankar Lalshankar Dave, popularly known as Narmad as well as Veer Narmad, was a Gujarati author, poet, scholar and public speaker. Narmad was born in Surat on August 24, 1833. He has contributed immensely to Gujarati literature by the pioneering works in varied genres, i.e. autobiography, poetry, lexicography, and historical plays. Besides, his research in folk literature has been acclaimed nationally. Moreover, he was well-known as an outspoken fearless journalist. His journalistic flair got expression in the newsletter called "Daandiyo" modeled after The Spectator, a weekly British magazine, which Narmad published with the help of his friends. Narmad was a strong opponent of religious fanaticism and he was a patriot. His ideas find expression in his famous songs like "Sahu Chalo Jitva Jang" among others. He stood for self-governance and advocated one national language, Hindi, for all of India nearly five decades before Mahatma Gandhi. He wrote the iconic "Jai Jai Garvi Gujarat" in which he listed with a sense of pride, all the cultural symbols that go into constituting the Gujarati identity. The song has become the refrain of Gujarati pride and identity today. He strongly believed that Gujarat belongs to all the states, communities, races, religions and sects that inhabit in the state. He was a devout poet whom even Gandhi acknowledged for his philosophy of non-violence. He breathed his last on February 26, 1886. In 2004, South Gujarat University was renamed Veer Narmad South Gujarat University in his honour by the state government. His representative works include Narmagadya - a collection of essays, Narmakavita-a collection of poems Narmakathkoshi, Mari Haqeeqat an autobiography (the first autobiography of Gujarati Literature), Newsletter, Narmakosh - a Gujarati dictionary.

Date: 02 September 2024

I am pleased to present Report of the Development Activities highlighting our university's key achievements and strategic initiatives. A major focus this year has been the robust implementation of NEP 2020. We have successfully introduced a range of interdisciplinary and multidisciplinary certificate courses designed to foster the holistic development of our students, aligning with the policy's vision of a more flexible and inclusive education system.

In addition to our academic advancements, we have strengthened our research ecosystem by providing seed funding for innovative projects and made significant strides in infrastructure development, particularly in IT, to enhance digital processes in teaching, research, and administration.

We are immensely proud to be one of only two universities to have secured a PM-USHA grant of ₹100 crores. This significant achievement not only reflects our university's exceptional capabilities but also positions us as a leader in the field. The grant has enabled us to prepare a detailed blueprint to ensure optimal utilization, further enhancing our institutional capabilities.

Another significant achievement this year was VNSGU achieving the highest registration rate in the country in the All Credit Data with Student ABC ID on 8th January 2024, for which the Department of Higher Education, Ministry of Education, New Delhi, felicitated the university.

I extend my heartfelt gratitude to Board of Management, the Executive Council and all stakeholders for their unwavering support. Your contributions have been vital in our journey towards excellence. I deeply appreciate your efforts and look forward to another year of continued collaboration and success.

Date: 13 August 2024

Veer Narmad South Gujarat University has been tirelessly working to enhance the quality of education and research. The Government of Gujarat implemented the Gujarat Public Universities Act-2023 in October 2023, encompassing various state universities, including VNSGU, Surat. This legislation represents a significant milestone in the field of education in Gujarat.

Our university has successfully implemented the National Education Policy (NEP) 2020 in both letter and spirit, leading to transformative changes at the grassroots level of education. In line with the provisions of the modal Statutes 2024, we are proud to showcase the progress and developments within our university. We have undertaken a wide array of meaningful activities to elevate education and research standards.

We are confident that our efforts not only fulfil the mandates of the modal Act and statutes but also set a strong foundation for the future. This foundation is built on our unwavering commitment to the continued advancement of educational policies and practices in Gujarat.

1. Major Achievement and Development Activities.

(1.1) VNSGU University tops the whole nation in the implementation of the Academic Bank of Credit (ABC)

VNSGU genuinely tops all the Universities across the nation to implement the Academic Bank of Credit (ABC). The central Government has prepared an ABC Portal, for an easy transfer of a student from one University to another and also from one programme to another ensuring mandatory of the credit registration on this ABC portal. The Academic Bank of Credit (ABC) is such a digital platform that, while maintaining the student's academic record in digital form, helps student make their education more flexible, adaptable and accessible. With the help of this ABC portal, students can complete their education in various academic institutions, can deposit the credits earned from different institutions in their Academic Bank Credit (ABC) account and they can also transfer such credits to other educational institutions. This ABC helps the students to get permitted to resume their education after dropping out. The ABC provides students with a digital transcript which maintains the record of all the credits earned by the students at various institutions. This helps students demonstrate their educational achievements and potentiality to future employers and also helps them while applying for further education.

Under the capable leadership of Dr. K. C. Chavda honourable Vice Chancellor, Veer Narmad South Gujarat University, surat has been trying successfully to make the students aware of the ABC and its benefits since the establishment of the platform of ABC and our university has been pioneer not only in Gujrat but in the entire nation itself. As per the record on January 08, 2024, the VNSGU stands first by enrolling 5,21,118 students with their credits in the whole nation. In an honour of this in a programme organized by the Dept. of Higher Education, Ministry of Education, New Delhi, Dr. Kishorsinh Chavda Was felicitated by Mr. Dharmendra Pradhan, the Hon'ble Union Education Minister on February 13, 2024.

Since the launch of the Academic Bank of Credit (ABC) on July 29, 2021 by our Hon'ble Prime Minister Shri Narendra Modiji, our university seizing this opportunity very quickly resolved to implement the ABC in the Academic Council held on July 31, 2021 with resolution no.17 .The same was later presented in the Syndicate and also in a special Senate meeting held for the New Education Policy (NEP).

To enrol the students on Academic Bank of credit, (ABC) VNSGU has stood first in Gujarat and seventh nationally Apart from that VNSGU stands first in India in uploading the data and credit of students on ABC.

The data on Academic Bank of Credit is as follows;

- The university has made it compulsory for students to enrol on ABC before filling examination form,
- 2, 57, 748 students have registered themselves on ABC till 08/1/2024,
- VNSGU has stood first across the nation in registration of credits of total 5, 21, 118 students.

- Not only ABC but in terms of uploading the total awards of 9,24,811 on National Academic Depository (NAD), VNSGU stands second in Gujarat.

(2) Total 17375 students uploaded their degrees on National Academic Depository(NAD)

Total of 17375 degrees of students who were to obtain their degrees in 55th convocation of VNSGU, have been uploaded on the National Academic Depository under the guidance of Honorable Vice Chancellor. The awardees of such degree can log into their DigiLocker account and present their degrees at various places through DigiLocker.

In his speech Dr. Ritesh Shah gave life-oriented lessons to the students, he said that when you fully dedicate yourself to a task, you will get the expected success. Swami Vivekananda has always been an inspiration till date for this motivational quote he is known for his philosophies and his writings. The famous is “arise awake and stop not till the goal is reached”. Vivekananda linked morality with control of the mind seeing truth purity and unselfishness as traits which strengthened it. He advised his followers to be holy unselfish and to have shraddha(faith). Vivekananda supported brahmacharya, believing it the source of his physical and mental stamina and eloquence. The students in the hall are really excited to share their views on the podium. Swami Vivekananda's inspiring personality was well known both in India and in America during the last decade of the nineteenth century and the first decade of the twentieth. The unknown monk of India suddenly leapt into fame at the Parliament of Religions held in Chicago in 1893, at which he represented Hinduism. His vast knowledge of Eastern and Western culture as well as his deep spiritual insight, fervid eloquence, brilliant conversation, broad human sympathy, colorful personality, and handsome figure made an irresistible appeal to the many types of Americans who came in contact with him. People who saw or heard Vivekananda even once still cherish his memory after a lapse of more than half a century. Today's Youth is tomorrow's future a great message to all the people which made them realize the importance of this day and the main agenda to be done by the citizens of India. Most of the population being the youth it's the nation's reform that to be done by the today's youth for the further development of the country. Trademarks, industrial designs, geographical indications of goods. Also explained why students should register, advantages and disadvantages of not registering. Panel discussion:-

Panel discussion in his speech on "Viksit Bharat @2047," Mrunal Shukla highlighted several key aspects of India's progress and challenges. He began by discussing the remarkable growth of the diamond and textile industries, emphasizing their pivotal role in India's economic development. Shukla then turned his attention to the concept of the "industry of the future," underscoring the need for innovation and technological advancement to propel India forward. He eloquently portrayed India as an emerging economy on the global stage, acknowledging its potential while also addressing persistent issues such as per capita income disparity, educational deficiencies, and the need for enhanced entrepreneurship. Furthermore, Shukla emphasized the importance of aligning India's production and labor efficiency with global standards to ensure competitiveness and sustainable growth in the long term. Santosh Rai highlighted Surat's diversity, integrity, and inclusivity in his speech, emphasizing the city's potential for growth. He urged the audience to adopt an entrepreneurial mindset, suggesting it could improve industrial production quality and bolster financial strength. Rai's message resonated, inspiring the audience to embrace entrepreneurship for personal and communal prosperity. Romit Gabani's speech touched on Surat's industrial growth, highlighting its role in the ongoing industrial revolution and rapid GDP expansion. He noted a significant 50% growth in the IT sector, yet expressed concern over the limited employment generation, merely 28% nationwide. Gabani emphasized the need for inclusive growth and proposed Surat's potential and its “digital valley” located in Utran, Surat, advocating for technology-driven solutions to bridge employment gaps and foster economic prosperity. Dr. Nirav Mandir stressed digital infrastructure development and innovation in his speech. He highlighted their crucial roles in fostering a thriving ecosystem, emphasizing collaboration between industry, academia, and government. Mandir underscored that robust digital infrastructure could catalyze innovation, driving progress and prosperity.

(11.15) Gujarat Cultural Elocution Competition

The State level "Gujarat Cultural Vakrtva Competition" held on 14/2/2024 at the Conference Hall, Department of Zoology, Gujarat University, Ahmedabad, marked a significant occasion in the presence of esteemed dignitaries, including the Hon'ble Chief Minister of Gujarat State, Mr. Bhupendrabhai Patel.

It brings immense pleasure to announce that Mahek Bhatt, an NSS Volunteer from Raju Shroff Roffel Institute of Management Studies, Vapi, affiliated with the National Service Scheme (NSS), Veer Narmad South Gujarat University, Surat, emerged victorious by clinching the first position in the statewide elocution competition.

Mahek Bhatt's outstanding performance earned a cash prize of one lakh rupees and the esteemed title of Best Cultural Speaker of Gujarat, presented by the Hon'ble Chief Minister of Gujarat State,

Mr. Bhupendrabhai Patel, and State Education Minister Mr. Prafulbhai Panseria. This remarkable achievement not only reflects Mr. Mahek Bhatt's prowess but also brings pride to the Rashtriya Seva Yojana and Veer Narmad South Gujarat University, Surat, on the statewide platform.

The event was graced by the presence of Hon'ble Vice Chancellor of the University, Dr Kishorsinh chavda, Registrar of university Dr rameshdan gadhvi, and Program Coordinator of NSS, Dr. Prakash Chandra, who extended their heartfelt congratulations and greetings. This victory stands as a testament to the university's commitment to nurturing talent and fostering excellence, marking it as a proud moment in its illustrious history.

(11.16) Republic Day Celebration

The Republic Day Celebration Program at Veer Narmad South Gujarat University Surat was a grand event, commemorating the spirit of the nation. With distinguished guests like the Honorable Vice-Chancellor Dr. KishorSingh Chavda Sir, General Secretary Dr. Rameshdan Gadhvi Sir, and other esteemed members, along with the participation of administrative officers, employees, and students, the occasion must have been filled with patriotic fervor and enthusiasm.

The program's agenda, beginning with the flag hoisting and the rendition of the national anthem, set a fitting tone for the day. The participation of around 150 students from various colleges affiliated with the National Service Scheme added to the grandeur of the event, particularly through the parade

showcasing their commitment to serving the nation. Moreover, the cultural program featuring students from different colleges of Surat showcased the diverse talents and cultural richness of the region, further enhancing the celebration's vibrancy. Recognizing and felicitating program officers and volunteers for their outstanding contributions and achievements under the National Service Schemes Department added a touch of appreciation and encouragement to the event.

The awarding of certificates to all participating students, in the presence of esteemed dignitaries, signifies acknowledgment and encouragement for their efforts and dedication.

Streaming the entire program live on the university's official social media platforms allowed a wider audience to partake in the celebrations, ensuring that the spirit of Republic Day reached beyond the confines of the event venue. With over 2,500 attendees, the program evidently garnered significant participation and engagement, underscoring its importance as a key event in the university's calendar and in fostering a sense of national pride and unity among its stakeholders.

ABOUT THE CONFERENCE

The aim of the conference is to develop the research attitude among the research scholars and bring together leading academicians, scientists and young researchers to exchange and share their new ideas and research in areas of study that includes, in addition to applied mathematics, those academic disciplines that are primarily mathematical in nature. The conference is designed with invited lectures by renowned researchers along with paper presentations. The main intention is to reflect the state of research in Mathematics, Physics, Computing and Engineering.

ABOUT GAMS

The Gwalior Academy of Mathematical Sciences (GAMS) was launched on 11th Dec. 1993 in the presence of eminent Mathematicians of the country and registered Jan 1994 (Reg. No. 1999) at Jiwaji University, Gwalior (M.P.) India. Prof. V.P. Saxena (Former VC, Jiwaji University, Gwalior) is the founder president of GAMS. Since then the Annual conventions of the Society have been held at various NIT's, Universities, other reputed Engineering colleges in different parts of the country. GAMS is a highly reputed society attracting large research community not only from India but also foreign countries. The Society has gone a long way in promoting interdisciplinary research in Applied Sciences & Engineering.

ABOUT VEER NARMAD SOUTH GUJARAT UNIVERSITY, SURAT
Veer Narmad South Gujarat University (VNSGU) is a public university located in Surat, Gujarat, India; one of the fastest growing cities with its flourishing Diamond, Textile industries. This institute has endeavored to be an institution of excellence in higher education since its establishment in 1967, keeping in view the regional needs and the emerging trends in the global scenario. VNSGU is named after the great Gujarati poet Narnadshankar Lalshankar Dave. It has a campus spreading over 210 acres and it is re-accredited 'B++' grade with 2.86 CGPA on 4 points scale by the NAAC in 2022. It offers degrees in 12 faculties to around 250 thousand students enrolled in its 27 PG Departments and more than 250 affiliated colleges.

ABOUT SVNIT

The Institute, one of the pioneering engineering institutions of the country, was established in 1961 as Sardar Vallabhbhai Regional College of Engineering & Technology and was given a status of National Institute of Technology, in 2002. The Institute has been granted the status of 'Institute of National Importance' w.e.f. Aug. 15, 2007. At present, there are Six undergraduate courses, eighteen postgraduate courses, Three M.Sc. Five Years Integrated Programmes in Mathematics, Physics and Chemistry and Ph.D. programmes in all disciplines of engineering and applied sciences. It has an excellent placement record with a number of top-ranking companies visiting the campus.

ABOUT DEPARTMENT OF MATHEMATICS, VNSGU

The Department of Mathematics was established in 1978 and it laid down its foundation jointly with the department of Statistics and later established as a separate PG department. Our faculties are active in the research areas like Numerical Methods, Spline Approximation, Number Theory, Combinatorics, Mathematical Modelling, Simulation and Fluid Dynamics.

ABOUT DEPARTMENT OF MATHEMATICS, SVNIT

The department has evolved into one of the epicentres of research in India. Since 2007, the department has been offering its own 5 years Integrated M.Sc. Degree Program in Mathematics. The department has highly qualified faculty members including three Professors, three Associate Professors, and twelve Assistant Professors. Total, 710+ papers have been published by the Department in the reputed SCI/SCIE and Scopus indexed journals. A total of INR 2,06,00,000/- worth of projects have been carried out by the department in the last five years funded by different agencies such as Department of Science and Technology (DST), NBHM, ISRO and GJCSOT.

ABOUT SURAT

Surat, situated on the bank of holy river Tapi, is a top ranking industrial and yet green city of the country with a network of flyovers with clean wide roads. It is well known worldwide for textile, Zari & Diamond industries. Several large scale industries & establishments. It is situated on the main Western Railway route between Vadodara and Mumbai, at a distance of 129 km from Vadodara and 263 km from Mumbai. Further, daily flights connect Surat with New Delhi and Mumbai. The Institute is located at Ichchhanath on Surat-Dumas road at a distance of about 10 Km from Surat railway station and airport.

TOPICS TO BE COVERED

(But not limited to)

- Mathematical Modeling & Simulation
- Biological Modeling
- Computational Biology
- Scientific Computing
- Fluid Dynamics
- Heat & Mass Transfer
- Operations Research
- Data Science & Analytics
- Artificial Intelligence
- Financial Mathematics
- Pure Mathematics
- Data Science
- Machine Learning and Deep Learning
- Statistics
- Ancient Indian Mathematics
- Mathematical Physics

CALL FOR PAPERS

The participants desirous to present a paper in the area are required to send the abstract not exceeding one page. The abstract should be neatly typed in Times New Roman (12), single line spacing on A4 size paper with 0.5 inches' margin on all sides. Title should be in 13 pts & bold letters, names of authors and affiliation should be in italics (10 pts). The presented papers, only after a peer review, may be recommended for publication of full length paper in Conference Proceeding.

PUBLICATIONS:

All the submitted manuscript will go through plagiarism check before technical review. Some of the excellent papers submitted may be considered for reputed and UGC care journals / Proceeding with SCOPUS/SCI / SCIE index.

(4.1) National Seminar

Advancing chemistry: A National Seminar on cutting Edge Synthetic Strategies in Organic Synthesis:

On the 30th of January 2024, the Department of Chemistry at Veer Narmad South Gujarat University (VNSGU) hosted a national seminar titled "Advancing Chemistry: A National Seminar on Cutting Edge Synthetic Strategies in Organic Synthesis." The seminar aimed to explore and discuss the latest advancements and innovative strategies in organic synthesis, bringing together eminent experts, researchers, and scholars.

Event Overview: The seminar was attended by a total of 230 participants, comprising MSc and PhD students, all eager to delve into the realm of cutting-edge synthetic strategies in organic chemistry. The event provided a platform for attendees to exchange knowledge and share insights.

Distinguished Speakers: Renowned experts working in national laboratories and prestigious industrial institutes were invited to deliver talks on various aspects of organic synthesis. Their presentations covered a wide range of topics including novel reaction mechanisms, catalytic methodologies, and applications in drug discovery and material science. They are associated with high standard reputed institutes.

Prof. S. Adimurthy-Chief Scientist, CSIR-CSMCIR, BHAVNAGAR.

Prof. Kashinath Dhurke, N.I.T Warangal.

Dr. Jayadeepkumar Lilakar Head of R&D , Actylis, Ahemdabad.

These sessions facilitated a deeper understanding of the presented topics and encouraged active participation from the audience.

The "Advancing Chemistry" seminar served as a platform for intellectual exchange and collaboration among researchers, scholars, and experts in the field of organic synthesis. The event not only provided valuable insights into the latest advancements but also inspired attendees to explore new avenues and contribute to the advancement of chemistry.

Overall, the seminar was a resounding success, thanks to the enthusiastic participation of attendees, the invaluable contributions of the speakers, and the meticulous organization by the Department of Chemistry at VNSGU. It is hoped that such initiatives will continue to fuel innovation and excellence in the field of chemistry. Department of Chemistry, VNSGU.

(4.2) National Conference

National Conference organized in Department of Chemistry, VNSGU Department of Chemistry have organized One day National Conference on Futuristic Exploration in Chemical Sciences on 9th December, 2023. Around 105 delegates have registered and 20 have participated in oral presentation and 40 in poster presentation. Prof. N.J. Parmar, Professor at department of Chemistry, Sardar Patel University, Vallabh Vidhyanagar and Dr. Kamlesh Prasad, Senior Principal Scientist and Professor at Bhavnagar have been invited as the keynote speaker who have very interestingly explained about the various chemical reactions helpful in green chemistry by which pollution can be controlled and how greener way can be employed instead of the conventional methods and their applications in the domestic life. The oral and poster presentation includes the topics like greener methods for the preparation of compounds used in medicines, easier methods for changing the properties of the surfactant and ionic liquids, various methods for preparing pharma products, production of catalyst which makes the reactions fast and easier, analysis of the natural waste products and their discarding methods, methods for the removal of the waste from the environment. Dr. Kalpana Maheria and Dr. Premlata Kumari from Department of Chemistry, SVNIT has judged all the posters and oral presentations. The main aim of the conference is to provide a key platform for the development of researchers with diversified knowledge and experiences, enhancing quality decision making of and promoting the highest utilization of research knowledge. Bhavesh Rathod, Dixita Patel, Sujit Jha, Geeta Patel Hemil Patel and Hemangi Desai are winners of the Oral Presentation. Kinal Patel, Khyati Bharti, Rahil Shaikh, Bhavin Patel, Kamini Patel and Ajay Patel are the winners of the Poster Presentation.

Veer Narmad South Gujarat University, Department of Comparative Literature, Hindi-Sanskrit Center and Akhil Bhartiya Sahitya Parishad Nyas Delhi jointly organized a two-day National Symposium on 'Lok Jeevan Mein Ram' on February 16-17, 2024 at the University's Convention Hall. has been done. This national conference was chaired by the chancellor of the university Mr. Dr. Kishore

Singh N. Chavda, general secretary Dr. Under the guidance of Rameshdan Gadhvi, in the presence of special guest Param Puja Swami Nijanand Ji Brahmacharya Ashram Gotarka, Chief Guest All India Literary Council Organization Minister and writer Sridhar Paradkar, Honorable Guest All India Literary Council National General Secretary Rishikumar Mishra and Coordinator of Comparative Literature Department and All India Sahitya Parishad Gujarat. It was held on the invitation of the State Chief Minister Dr. Bharat Thakor.

The inaugural session of this two-day national conference was held on February 16, 2024 at 11 am. It started with Deep Prajavalan and Akhil Bharatiya Sahitya Parishad Nyas song and Saraswati song. Then all the guests present were welcomed by presenting Vishwa Vidyalaya khes, book, small replica of Sri Ram Mandir.

General Secretary of Vishwa Vidyalaya Mr. Dr. Rameshdan Gadhvi gave a brief welcome speech. In which he gave a verbal welcome to the stage guests present in the program, various members of the university administration, researchers, teachers, students and writers sitting in the auditorium. Citing reference to poet Narmad while talking about Lord Shri Ram in folk life, he said that the poet Veer Narmad, after whom this university is named, gave literature full of heroic interest to the society.

The coordinator of this National Symposium Mr. Dr. Bharat Thakore after the outline of the program welcomed all the stage guests, writers, teachers, researchers, students friends etc. present in the seminar. The seminar, seminar session, literati from Gujarat and the country, participated in the seminar and gave a detailed introduction to Akhil Bhartiya Sahitya Parishad, Nyas, Delhi and its various functions.

Special guest Swami Nijanandji of Brahmachari Ashram Gotaraka, keeping his thoughts in line with the topic, said that the reason why the name Ram has been echoing in the society for centuries till today is because Ram is not a person, not a king but an ideology. which have been alive as practices in society for centuries. According to him, human life is uncontrollable and dynamic, which is controlled by the name of Shri Ram. According to him Lord Rama is the vaccination of ideal life for man. Which will last for centuries. Ramdharma exists in all three periods hence called Sanatan. Shri Ram is the symbol of enduring values in the society. Sympathy towards all people in the society is Shri Ram. Sriram is the medicine that controls one's ambitions. Ayodhya is the center of Sankalpa regarding Rama. Resolutions taken here reach fulfillment.

The chief guest Shri Dhar Paradkar, Minister of National Organization of Akhil Bharatiya Sahitya Parishad, in his brief speech on the topic, said that there is a Rama in every person. Shri Ram is not a subject of intellect but a subject of practice. Ram is seen in folk life as a ritual, a life-giving form for some and a practice for others.

Rishi Kumar Mishra, National General Secretary of Akhil Bharatiya Sahitya Parishad, while giving his speech about Ram in public life, said that the cooperative Ram temple at Ayodhya in India establishes the importance of Ram in public life. According to him there is no field where Shri Ram is not present in some form or the other. Sri Rama's life suggests to the entire society how a life full of ideals and its identity can be identified. Sri Rama's life also indicates to the public how victory over Ravana is achieved by following Dharma. From the life of Rama, a person who is exemplary learns how his own work and the welfare of his enemy can be done. Religion of Praja Dharmapatni, religion towards brothers, religion towards society etc. are known from the life of Shri Ram.

In the concluding speech of the inaugural session, the Chancellor of the University Mr. Dr. Kishoresinh Chawda thanked the guests on the stage and all those present in the seminar. In his short speech, he expressed his thoughts about Sri Ram Mandir in Ayodhya, the first seminar of its kind, various industries in Surat, the working of Akhil Bharatiya Sahitya Parishad, the presence of Ram in the direct sphere of life, the evaluation of Ram's political works in the economic sphere, etc.

In the first meeting of the inaugural session, various speakers expressed their views on the theme of the seminar. These speakers include honorable Dr. Sudha Sharma, Dr. Nikhil Kelkar, Dr. Vimal Khamar and Dr. Gelji Bhatia were present. Dr. Sudha Sharma gave a brief lecture on Ramarajya,

Rammaya Vishva, Sri Ram's equanimity towards all people, observance of duty and worship of Ram Charitra etc.

In the second meeting of the session honorable Suman Chaurse, Mrs. Dr. Dinanath Patil, Shri Yatin Kataria, Shri Jaymal Desai, Shri Jay Shri Narang and Dr. Mahendra Nai gave brief lectures on the subject.

At the end of the inaugural session, vote of thanks was done by Mr. Dr. Bharatbhai Thakor, Coordinator, Department of Comparative Literature and the entire program was moderated by Dr. Kiran Mittal, Co-Coordinator, Department of Journalism and Mass Communication.

Veer Narmad South Gujarat University Department of Comparative Literature, Hindi-Sanskrit Center and Akhil Bharatiya Sahitya Parishad Nyas Delhi jointly organized a two-day national seminar on 'Lok Jeevan Mein Ram' on February 16-17, 2024. Under which the final session held on the second day of the national conference was started with Deep Pragatya and the reception of dignitaries on the stage. Then the session was started under the chairmanship of Dr. Bhagirath Brahmabhat. Initially, Mr. Kanjibhai Maheshwari, Mr. Jyotibhushan Joshi, Dr. Ravindra Upadhyay, Dr. Anita Tandel and Dr. Minesh Damor gave speeches on the topic.

Shri Dr. Bhagirath Brahmabhat gave a speech about Shri Ram in the Sikhs of special vows, Shri Ram of illiterates and literates, Shri Ram pervading public life, Shri Ram in people's faith, Shri Ram the driving force of public life, Shri Ram in accurate panacea treatment.

Shri Kanjibhai Maheshwari presented his thoughts about Khas Shriram, the settler of disputes, Shri Ram, the link of Sanatan Dharma, Nirmohi Shri Ram, Prajavatsal Shri Ram, Devotees' beloved Shri Ram.

Dr. Ravindra Upadhyay gave a speech about Lord Shri Ram in the folk life keeping Shri Ram meaning joy, virtues, righteousness, social harmony and ideal personality at the center.

Dr. Anita Tandel presented ideas about Sri Ram, the base of devotees, eternal Sri Ram of all ages, Sri Ram the benefactor of life and Sri Ram the base of attaining Paramattva.

Dr. Minesh Damor discussed about Gujarati proverbs, idioms, folk-tricks and elaborate information about name Shri Ram taken in rural society.

The final session of this National Symposium was conducted by Mr. Mahesh Nai. In it Mr. Dr. Rajesh Srivastava, Dr. Sheetal Kokte, Dr. Bhavana Champaneri, Mr. Vinod Gajera, Mr. Balaji Raje, Dr. Usha Upadhyay and Dr. Khyati Purohit presented ideas relevant to the topic.

Mr. Dr. Rajesh Srivastava in his presidential address discussed extensively about the four traditions of Ramayana in India and its impact on Indian society.

Dr. Sheetal Kokte introduced the personality of Shriram in dedication, renunciation, sacrifice, public welfare, social welfare, ajna bhava, brotherly love, ideal husband, wise personality and Maryadapurushottam etc. found in the Indian society.

Dr. Bhavana Champaneri discussed about Shriram, the human gem of human life, Shriram, the remedy for human problems and Shriram, the rite of human life.

Former Syndicate Member Mr. Vinod Gajera elaborated on Sriram in admitting mistake, Sriram of youth, Sriram of elders, Lok Kalyankari Sriram, Ram the originator of state and Sriram of all.

Shri Balaji Raje discussed the image of Shri Ram in folk life based on personal experiences with reference to the newly constructed Shri Ram Mandir located in Ayodhya.

Dr. Usha Upadhyay in his brief lecture discussed that Shri Ram is woven into every aspect of Indian folk life.

Dr. Khyati Purohit described his journey life experiences in reference to Shri Ram.

Then the concluding session was held under the chairmanship of Mr. Dr. Mithila Prasad Tripathi. In which All India Literary Council's Organization Minister and writer Mr. Sridhar Paradkar and All India Sahitya Parishad's National General Secretary Mr. Rishikumar Mishra were guests on the stage.

Shri Sridhar Paradkar discussed the objectives, working style and organization of various programs organized by Akhil Bharatiya Sahitya Parishad. He also discussed the pros and cons of the

seminar. At the same time, Sriram completed his lecture by giving a brief information about how Sriram is present in Indian society and how it is present in Indian folk life.

Mr. Dr. Mithila Prasad spoke about Ramacharitra and the presentation of Ramacharitra in people's lives.

At the end of this national conference, the coordinator of the program Mr. Dr. Bharatbhai Thakor thanked all the guests, researchers, teachers, university administrators and students present in the program and declared the program complete.

"Bharatendu Harishchandra aur Narmad (Narmadashankar Lalshankar Dave) ke natako me sampreshan, Samuh Prabandhan, Netrutv aadi Kaushalo ki Abhivyakti"

A two-day National Seminar on February 27-28, 2024, jointly organized by the Ministry of Education's Kendriya Hindi Sansthan, Agra (Ahmedabad Centre) and Department of Comparative Literature, Veer Narmad South Gujarat University, Surat started on Tuesday.

The seminar, "Bharatendu Harishchandra Aur Narmad Ke Natako Me sampreshan, Samuh Prabandhan, Netrutv Aadi Koushalo ki Abhivyakti" focused on the topic of communication. Chancellor of the conference Dr. Kishore Sinh Chavda. Prof. Sunil Kulkarni, Director, Central Hindi Institute, Agra was the Chief Guest. Kapil Shukla, former chairman of the Department of Performing Arts, Narmad University, was the speaker.

Kapildev Shukla, the chief guest, said that dramatists from the society select the subject and character and prepare the play. In which he interacts with the director. And he interacts with the artist. And the artist interacts with the audience through the performance. In this way, the phenomenon of society is transformed and returned. He further said that poet Narmad did great work of social awareness through plays. He also discussed the Indian theatrical tradition starting with Bharatamuni, the creation of social dramas by Narmad and Bharatendu Harishchandra, the use of literature for society, the attractiveness of the pen of both authors, literary creations presented throughout the ages, literature composed in the early period of

Hindi and Gujarati languages, Narmad's theatrical terminology. Critically discussed about re-awakening literature, reformist literature etc.

(12.1) Alumni Meet 2024

The Alumni Meet, organized by Veer Narmad South Gujarat University, J.P.Dawer Institute of Information Science & Technology, Department of I. C. T, M.Sc. (I.T.), and M. Sc. (I.C.T.) warmly welcomed former students. On the lively day of February 24, 2024, attendees reunited to reminisce and celebrate the bonds forged during their time at the institution. The event provided an opportunity for one-to-one discussions between current students and alumni, fostering mentorship, career guidance, and the exchange of experiences. Amidst joyous reunions and nostalgic conversations, the atmosphere was filled with a vibrant display of camaraderie, reflecting the enduring spirit of our ICT community. We extend our heartfelt gratitude to all alumni who joined us for this memorable occasion, contributing to its success through their presence and shared memories.

13. Department of Biotechnology

The Department of Biotechnology at Veer Narmad South Gujarat University (VNSGU) has undertaken several initiatives during the academic year to enhance the academic and career prospects of its students. This report provides an overview of the academic initiatives.

(13.1) Crash Course for Combined Biotechnology Entrance Test (GATE B) and IIT JAM:

Department of Biotechnology, V.N.S.G.U, Surat organized a fifteen days “Intensive Crash Course” sponsored by GSBTM on 4th December, 2023 to 18th December 2023, for the final year students of Biotechnology & Microbiology studying in University & its affiliated colleges. During the inaugural session Dr. K.N. Chavda, Honorable Vice Chancellor of the University, Dr. R.C Gadhvi, Respected Registrar, Dr. Gaurav Shah, Coordinator of the department and Chairman crash course, Dr. Rekha Gadhvi, Coordinator Undergraduate Capacity Building Cell, Dr. Mansi Mehta, Deputy Coordinator Undergraduate Capacity Building Cell, all teaching staff along with 89 participants were present throughout the program. 60 experienced faculty members delivered intensive lectures, provided comprehensive study materials, and conducted regular mock tests to simulate exam conditions. The crash course aimed to help students improve their problem-solving skills, time management, and overall performance in these competitive exams. The department's goal was to assist students in securing admissions to prestigious institutions for higher studies in biotechnology and related fields.

(13.2) National Conference RASA (Recent Approaches for Sustainable Approaches for Biological Sciences)

Department of Biotechnology (DBT), Veer Narmad South Gujarat University (VNSGU), Surat, Gujarat organised a National Conference on “Recent Advances in Sustainable Approaches for Biological Sciences” (RASA-Bio-2024) from 29th to 31st January 2024, in hybrid mode. The conference was having focus on the Themes related to Plant Science, Animal Science, Microbial Science and Environmental Science. During the three days of the conference the participants listened to the expert lectures of six eminent scientists from Defence Institute of Physiology & Allied Sciences (DIPAS), New Delhi; National Brain Research Centre, Manesar, Haryana; CSIR-Central Drug Research Institute, Lucknow and Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS), Lucknow. We also had a Panel discussion session on the first day under the Chairmanship of Shri Kamlesh Yagnik, President of the SRK Knowledge Foundation, joined by experts from Beacon Diagnostics Pvt. Ltd, Saffron Lifesciences Pvt. Ltd, Gujarat State Biotechnology Mission, and Sarvajani University (Details of all Technical Sessions and Panel Discussion is attached). We received 113 abstracts entries for presentations and 50 entries of attendee from different states of the country, like Gujarat, Maharashtra, West Bengal and Madhya Pradesh. International participation was received from King Saud University, Riyadh, Saudi Arabia and Algatech Centre, Třeboň, Czechia. The scrutiny of the abstracts was done under the guidance of Dr. Rekha Gadhvi, Dr. Mayuri Rathod, Dr. Preeti Sharma and Dr. Mansi Mehta. The entries of presentations by the conference participants were divided in two categories, Oral and Poster. Total we had six Oral presentation sessions and four Poster presentation sessions. As the conference was in hybrid mode we also had one oral presentation session in online mode. All the technical sessions of the conference were screened live on the social media platforms and are valuable on the YouTube channel of the department (DBT VNSGU). The oral and poster presentations were evaluated by a team of fourteen Judges, from Gujarat University, Ahmedabad; Maharaja Sayajirao University, Vadodara; Anand Agricultural University, Anand; SMMIMER Medical College and Veer Narmad South Gujarat University, under the chairman ship of Dr. P.V. Desai, Retired Professor and Head of Department of Biosciences, VNSGU. As an organizing body we had a huge team of 35 teaching and non-teaching staff accompanied by 40 volunteer students who worked tirelessly for smooth execution of each and every session.

(13.3) Participation in New India Vibrant Hackathon:

Students from the Department of Biotechnology actively participated in the Vibrant Hackathon, organized by Gujarat Knowledge society, Education department, Government of Gujarat. A state level competition promoting innovation and entrepreneurship. The primary screening of students was done on 4th November 2023 at regional round held at VNSGU. The finale was held on 25th November 2023 at PDEU Gandhinagar. The teams were lead by Dr. Mansi Mehta and Dr. Ambika Arkatkar. The hackathon challenged participants to develop innovative solutions to address societal and industry challenges using biotechnology. Teams from VNSGU showcased their creativity and problem-solving

skills by presenting novel ideas and prototypes. The event provided a platform for students to apply their theoretical knowledge in practical scenarios and engage with industry experts.

(13.4) Workshop on Basics of Disaster Management and Fire Safety:

To commemorate International Women's Day, the Department of Biotechnology organized a workshop on the basics of disaster risk management and fire safety, on 7th March 2024. The workshop aimed to empower women with knowledge and skills to effectively respond to emergencies and mitigate risks. In collaboration with experts in disaster management and fire safety, the department conducted a workshop to educate students on essential safety protocols. Mrs Nital Doshi, District project officer, Disaster Emergency operation centre, Surat and demonstrated emergency response, evacuation procedures, first aid, and fire safety measures. Practical demonstrations and simulations were conducted to enhance students' understanding and preparedness in handling emergencies. The workshop aimed to equip students with life-saving skills and create awareness about safety measures in academic and workplace settings.

(13.5) UG- GIBioN

8 students (UG students of Biotechnology and Microbiology) of Department of Biotechnology, VNSGU Participated in competition held by – 34th, Gujarat Integrated Bio Network (UG – GIBioN) held at P.M Patel college, Anand, Gujarat, on 18th Feb 2024. The students participated in various competitions like:- Poster presentation, Scitoon, Article writing, concept mapping, seminar, Bio Quiz and Extempore. Students were accompanied by Two faculties:- Mr Milan Patel and Dr. Mihir Sarang. Students of B.Sc. Microbiology Semester – VI (Piyush Jatav and Shena Kedia) Got 2st prize in Bio-Quiz competition. All the students performed with great enthusiasm. Students of Department of Biotechnology has created Marked Presence.

(13.6) PG-BIBioN

There were 02 students of B.Sc. Microbiology Semester. –VI (Department of Biotechnology, VNSGU, Surat) participated in Shlok chanting and poster making competitions in Navyasarjan held at DRB college, Surat on 17th January, 2024. Students were accompanied by one faculty, Dr. Gayatri Solanki (Assistant Professor). Dax gujjar got second prize in poster making competition and Krishna patel got first prize in shlok chanting. Both the students performed with great enthusiasm. Students of Department of Biotechnology have created Marked Presence.

(13.7) Impact and Outcome:

The initiatives undertaken by the Department of Biotechnology received positive feedback from participating students. Many students reported an improvement in their understanding of key concepts and confidence levels.

Several students expressed gratitude for the structured approach of the training programs and the guidance provided by faculty members.

As a result of these initiatives, a significant number of students were able to qualify for the CSIR NET exam and secure admissions to reputed institutions through the Combined Biotechnology Entrance Test and IIT JAM.

Participation in the New India Vibrant Hackathon allowed students to showcase their innovative thinking and problem-solving abilities on a national platform.

The National Conference RASA facilitated knowledge dissemination, research collaboration, and the exchange of best practices among academia and industry experts.

The workshop on Disaster Management and Fire Safety enhanced students' awareness and preparedness for handling emergency situations.

(14.1) Event incharge:

Mr. Rajkumar J. Prasad
Teaching Assistant
Department of Statistics, VNSGU, Surat

Title of Event: The Academic tour cum historical place visit at Navsari Agriculture university and National salt satyagraha memorial Navsari Dandi.

Date of Event: 28-02-2024

Description of Event: On 28th February 2024, students and faculty members of the Department of Statistics V.N.S.G.U., Surat organized an educational tour of Navsari Agricultural University, followed by a visit to the National Salt Satyagraha Memorial at Dandi. On this trip, the head of the department Dr. Arti J. Rajyaguru along with 50 students, 5 teachers, and 3 non-teaching staff participated. The tour incharge of this particular tour was Mr. Rajkumar J. Prasad. We reached the university at 09:00 am. We visited the Department of Statistics of Navsari Agriculture University, Such a wonderful welcome was given by The HOD Prof. Alok Shrivastav and Assistant Prof. Nitin Varshney, after that Beautiful and informative Presentation given by contractual Assistant Prof. Himanshu Gadhavi. Then we went for field visits to see the real-life use of Design of experiment CRD, RBD, etc. we saw many more places like the Museum of Agriculture in that university, the bamboo resource centre, etc. The tour aimed to provide students with a unique blend of academic learning was satisfied.

The second face of the tour was The National Salt Satyagraha Memorial provided participants with a holistic learning experience and historical perspectives. The National Salt Satyagraha Memorial at Dandi is a poignant tribute to Gandhi's historic Salt March of 1930, a pivotal moment in India's fight for independence. It offered a visceral journey through exhibits and sculptures, commemorating the spirit of nonviolent resistance. Visitors experience the significance of Gandhi's civil disobedience movement and its impact on India's freedom struggle. The memorial serves as a reminder of the power of peaceful protest and the enduring legacy of Mahatma Gandhi.

Overall, the trip was successful, promoting intellectual growth, cultural appreciation, and a deeper historical awareness among all students and faculties.

8.	Brief Summary of Event	“Cleanliness is next to Godliness.” It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. Our department organized Cleanliness Drive under Swachh Bharat Swasth Bharat Abhiyaan Programme on Saturday. Under this programme, all the students of semester-2 had to participate. Even all professors were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole department. Our professors started the programme by cleaning the corners of the ground. Some of us picked brooms and started our job. Some of the students did the dusting of the classrooms and staffrooms. And others went to the corridor and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. It was a unique experience for all of us. We were curious to be the part of this great drive.

8.	Brief Summary of Event	The Department of Education at Veer Narmad South Gujarat University (VNSGU), Surat, continued its 60th-anniversary celebrations with another insightful event, the "Alumni Lecture Series" programme, on 7th March 2024. The event aimed to provide valuable insights and experiences to current students from distinguished alumni. The guest speaker for the event was Dr Falguniben Patel, an English teacher from a Higher Secondary School and an alumna of the department. The programme commenced at 3:00 pm and was attended by faculty members, including the Head of Department, Dr Rajendra Patel, other professors, Ph.D. research scholars, and M.Ed. trainees from both semesters 2 and 4. The event began with a warm introduction of Dr Falguniben Patel by a student from semester 2. Dr Patel was welcomed with a book, a memento, and the university scarf by Dr Rajendra Patel, the HOD. Dr Falguniben Patel delivered an engaging lecture on the characteristics

		of a good researcher and emphasized the importance of maintaining a proper balance between professional commitments and family life. Her insights were thought-provoking and resonated with the audience. The anchoring for the programme was efficiently conducted by two students from semester 4, ensuring the smooth conduct of the event. At the conclusion of Dr Falguniben Patel's talk, a vote of thanks was delivered by another student from semester 2, expressing gratitude to the guest speaker and all those involved in organizing the event. Following the lecture, a tea and coffee session with biscuits was arranged. The event was a great success, fostering a sense of pride and connection among the alumni, faculty, and current students of the Department of Education at VNSGU Surat. The "Alumni Lecture Series" programme was a testament to the department's commitment to academic excellence and its efforts to provide holistic education to its students. It served as a platform for meaningful interactions and knowledge sharing, reflecting the department's rich legacy and its continuous endeavor to inspire future educators. The Department of Education at VNSGU Surat looks forward to organizing more such enlightening events in the future, strengthening its bond with its alumni and enriching the educational experiences of its students.

8.	Brief Summary of Event	Department Of Education, Veer Narmad South Gujarat University (VNSGU) conducted Cleanliness Drive on 11-12-2023. The main purpose of this program was to create awareness among the students regarding Cleanliness and making the department a more pleasant and hygienic environment for all . Under this program, all the students had participated. As a part of this Cleanliness Drive, students had to clean the department. Around 70 students participated in the event. The program started around 4:00 p.m and all the students gathered for the event. The students and faculty were segregated into various groups who took up charge to clean various parts of the college. The event was a huge success and all the students performed with great enthusiasm and kept their own sanitation in mind during this whole process. The Classrooms were cleaned by the second and fourth semester students. They also cleaned the verandah. The department professors took charge to see that the cleaning was done. The front side of the College including gardens, staircase, were cleaned up by the second semester. There are many initiatives set up by the University to practice cleanliness, helping in inculcating good habits in citizens of the country. This can contribute to a more sustainable future for ourselves and for future generations.

8.	Brief Summary of Event	On March 11th, 2024, the Department of Education at Veer Narmad South Gujarat University (VNSGU) organized a cleanliness drive, aiming to promote cleanliness and hygiene on campus. The event saw enthusiastic participation from students, faculty, and staff, who worked together to clean various areas of the department. The cleanliness drive commenced at 3:00 PM. Participants were divided into groups and assigned different tasks, including cleaning classrooms, corridors, and the surrounding areas. Despite the hot weather, the participants showed great enthusiasm and dedication towards the cause. They worked diligently, ensuring that every corner was thoroughly cleaned and free from litter. The teamwork and cooperation among the students were commendable, as they supported each other and worked together to achieve the common goal of a cleaner environment. The cleanliness drive not only helped in improving the aesthetic appeal of the department but also instilled a sense of responsibility and ownership among the participants towards maintaining cleanliness. It also served as a valuable learning experience, highlighting the importance of cleanliness in creating a healthy and hygienic environment. Overall, the cleanliness drive was a great success, thanks to the active participation and dedication of everyone involved. It not only contributed to the cleanliness of the department but also served as a reminder of the importance of cleanliness in our daily lives.

8.	Brief Summary of Event	“Don't litter. It makes the world bitter” To accelerate the efforts to achieve universal sanitation coverage and to put the focus on sanitation, our department organized Cleanliness Drive under Swachh Bharat Swasth Bharat Abhiyaan Programme on Monday. Under this programme, all the students of semester-2 had to participate. Even all professors were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole department. Our professors started the programme by cleaning the corners of the ground. Some of us picked brooms and started our job. Some of the students did the dusting of the classrooms and staffrooms. And others went to the corridor and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. Thus, learning that it is everybody's responsibility and one should keep their surroundings clean and hygienic.

8.	Brief Summary of Event	The Department of Education at Veer Narmad South Gujarat University (VNSGU), Surat, celebrated its 60th anniversary with a special event, the "Alumni Lecture Series" programme, on 29th February 2024. The event aimed to honour the legacy of the department and provide valuable insights to current students. The guest speaker for the event was Dr Amrutbhai Patel, the former principal of a Higher Secondary School. The programme began at 3:00 pm and was attended by faculty members, including the Head of Department, Dr Rajendra Patel, other professors, Ph.D. research scholars, and M.Ed. trainees from both semesters 2 and 4. The event commenced with the introduction of Dr Amrutbhai Patel by a student from semester 2. Dr Patel was welcomed with a book memento and the university scarf by Dr Rajendra Patel, the HOD. Dr Amrutbhai Patel delivered a captivating lecture on the characteristics of an effective principal and highlighted the importance of proper school management. His insights were both enlightening and inspiring for the audience. The lecture was followed by a Q&A session, where attendees had the opportunity to interact with Dr. Amrutbhai Patel and gain further insights into the discussed topics. The anchoring for the programme was skillfully conducted by two students from semester 4, who ensured the smooth flow of the event. At the conclusion of Dr Amrutbhai Patel's talk, a vote of thanks was delivered by another student from semester 4, expressing gratitude to the guest speaker and everyone involved in organizing the event. Following the lecture, a tea and coffee session with biscuits was arranged. The event was a grand success, bringing together the past and present of the Department of Education at VNSGU Surat, and inspiring the future generations of educators. The "Alumni Lecture Series" programme was a testament to the department's commitment to academic excellence and its efforts to enrich the learning experiences of its students. It served as a platform for meaningful interactions and knowledge sharing, reflecting the spirit of the department's 60-year journey in the field of education.

8.	Brief Summary of Event	Introduction: On January 12, 2024, the Department of Education at VNSGU, Surat, organized a one-day educational trip to the Statue of Unity for a group of 58 members. The tour comprised students of M.Ed. semester-2 & 4 (both grant-in-aid and self-finance) accompanied by all teaching staff. The trip aimed to provide a blend of cultural exploration, spiritual enlightenment, and historical insight. Itinerary: 1. Gumandev Temple: The journey began at Gumandev Temple, where the group sought blessings during Hanumanji darshan. Following the spiritual experience, a hearty breakfast of Bataka Poha and tea-coffee was enjoyed, setting a positive tone for the day. 2. Surpaneshwar Temple:

		The second stop featured Surpaneshwar Temple, where the group immersed themselves in the spiritual ambiance. The serene surroundings and architectural marvels of the temple added a cultural dimension to the trip. 3. Statue of Unity: The main destination was the Statue of Unity (SOU), where the group engaged in a series of enriching activities. - Cactus Garden: The visit began with the Cactus Garden, offering a unique display of various cactus plants in vibrant colours. The garden provided an educational experience, showcasing the diversity of desert flora. - Butterfly Garden: Next on the agenda was the Butterfly Garden, a delightful spot where the group witnessed the beauty and diversity of butterflies in a natural setting. - Statue Exploration: After a wholesome Gujarati lunch, the group ascended to the chest of Sardar Patel's statue using the lift. From this vantage point, the Narmada River and dam were clearly visible, offering a panoramic view that highlighted the engineering marvel. - Laser Show: The day concluded with a captivating laser show, narrating the courageous history and tireless efforts of Sardar Patel in shaping the nation. The visually stunning display left a lasting impression on all participants. Dinner: The day was wrapped up with a satisfying dinner of Kadhi-Khichadi, providing a perfect conclusion to our educational journey to the Statue of Unity. The trip was planned and organized by Dr Rajendra Patel, the head of the Department and Dr Bhavesh Modi with the help of few selected students.

Ankit Kumar Changawala's 'Bamboo Chair' is a landmark achievement, not just for VNSGU but for the entire nation

Surat : An assistant professor at Veer Narmad South Gujarat University (VNSGU) has woven a sustainable future into the very fabric of furniture design. Dr. Ankit Kumar Changawala has received the first-ever patent in India for his innovative "Bamboo Chair," a testament to the potential of this versatile material to revolutionize the furniture industry.

"Ankit Kumar Changawala's 'Bamboo Chair' is a landmark achievement, not just for VNSGU but for the entire nation," said Dr. Kishoresinh Chavda, Vice-Chancellor of VNSGU. "This patent paves the way for a more sustainable future, where we harness the abundance of bamboo in our tribal hinterlands to create eco-friendly furniture solutions for urban spaces."

South Gujarat boasts a rich tapestry of bamboo plantations, particularly in the tribal districts of Dang, Tapi, and Valsad. For centuries, bamboo has been woven into the cultural fabric of these communities, used for construction, utensils, and even musical instruments. Professor Changawala's innovation lies in harnessing the unique properties of Bambusa Bamboos, a native species known for its strength and durability.

Bamboo is a fast-growing, renewable resource with a wide range of uses. It is stronger than wood, lighter than steel, and naturally fire-resistant. Its versatility makes it ideal for construction, furniture, textiles, and even food. Bamboo forests also play a vital role in carbon sequestration and soil conservation, making them a critical component of a sustainable future.

"Bamboo is a true wonder material," enthuses Professor Changawala. "Its rapid growth and low environmental impact make it a perfect alternative to wood and plastic. The 'Bamboo Chair' is not just elegant and sturdy, but also lightweight, making it ideal for urban spaces."

Beyond its environmental benefits, the "Bamboo Chair" holds the potential to empower local communities. By engaging artisans in its production, Professor Changawala envisions a future where sustainable design meets economic prosperity.

"Maximizing the use of bamboo in design is not just about environmental consciousness," he explains. "It's about creating a viable alternative that benefits both the planet and our people. The 'Bamboo Chair' is a testament to that vision."

Dr. Chavda echoes this sentiment, stating, "Professor Changawala's patent is a true inspiration for aspiring designers and entrepreneurs. It shows us that innovation can thrive in harmony with nature, creating a win-win situation for all."

"With its elegant form and sustainable spirit, the "Bamboo Chair" is more than just a piece of furniture. It's a symbol of hope, a testament to the power of ingenuity to bridge the gap between tradition and modernity, and a promise of a greener future for generations to come" said Mehul Patel, co-ordinator of Interior Design department, VNSGU.

What's Special About India's First Patented Bamboo Chair & Who's The Professor Behind It?

Ankit Kumar Changawala from Veer Narmad South Gujarat University, recently patented a chair crafted from Bambusa bamboo, a locally abundant variety of South Gujarat, to promote the use of bamboo in furniture making.

In the rich tapestry of South Gujarat, bamboo stands out as one of the region's prides. The area is renowned for its production of Bambusa Bamboo, a native species valued for its strength and durability. The tribals of the region take great pride in their bamboo produce.

This variety of bamboo is sturdy and ideal for converting into furniture. However, not many have fully harnessed the material's potential.

Speaking about the plant with **The Better India**, Professor Ankit Kumar Changawala states, "Bamboo is the future."

Ankit is one of the few individuals who have made efforts to utilise the material to its fullest extent, recently obtaining a patent for a bamboo chair.

"The chair is sturdy, strong, and can last up to 20 years. It is the first bamboo chair to be patented in India," he informs.

Sustainability meets design

Raised in Surat, Ankit had always wanted to pursue design, but he lacked direction.

"I was pursuing a diploma in civil engineering, thinking it might help me in designing things. However, during the course, I realised it was not something I wanted to pursue. It was my professor's brother, an interior designer, whose work inspired me and made me realise my true passion," says Ankit.

Confused about how to pursue his interest, he decided to enrol in an interior design course at Veer Narmad South Gujarat University (VNSGU).

Currently, he serves as an assistant professor at the same university. "Teaching made me realise how much I enjoy it. I found my true calling in both designing and educating students about it," he says.

The first patented bamboo chair was made by Professor Ankit Kumar Changawala

When asked about his introduction to bamboo and his idea of a bamboo chair, he recalls, “I was given the opportunity to attend a workshop in 2019 in Manipur. The World Bamboo Workshop was the first symposium in India focused on bamboo and its uses.”

The symposium profoundly changed Ankit’s perception of bamboo. Previously, there was merely abundant vegetation in the region. “I could see its untapped potential and how it was being wasted. Additionally, I discovered a community of bamboo artisans whose craft was fading,” he explains.

“The Kotwaliyas in the region are renowned for their skill, but unfortunately, their art was being neglected and dying,” he adds.

Ankit also began educating his students about the benefits of using Bambusa bamboo.

“While I was in the process of educating more people and reaching out to craftsmen, the COVID-19 pandemic hit, disrupting everything,” he says.

During this period, Ankit encountered craftsmen suffering due to the decline in tourism. “I learned that the younger generations of these craftsmen were reluctant to continue the tradition as they saw no future in bamboo,” he shares.

For Ankit, demonstrating the immense potential of bamboo became crucial. “I didn’t want them to abandon their craft and migrate to cities in search of jobs. So, I decided to create daily-use furniture with modern designs to appeal to urban consumers,” he explains.

In 2021, Ankit, along with a few students and four local craftsmen, embarked on creating sustainable yet modern designs.

Sturdy, Sustainable and Modern

The first step for Ankit was to understand the bamboo. “As designers, we work with measurements but these traditional craftsmen have their own way of working. We realised how the wood in bamboo towards the lower end was stronger and thicker than the upper end,” he says.

It took almost two years for Ankit to design and build the chair.

To make the craftsmen comfortable and win their confidence, Ankit took his designs to their workshops. “I wanted to make them feel comfortable and work as a team. They were at their best form when they were using their own traditional machines and materials. I used to visit their workshops in order to work on the chair,” he says.

Talking about Bambusa bamboo, he says, “I chose Bambusa because it has a great load-bearing capacity. It is long-lasting and sturdy enough to be used for a long time. The knots in the variety are very close making it very strong.”

Additionally, the variety is also abundantly available in the area. “There are many companies making furniture from bamboo imported from different countries. If you go online and try to find a simple piece of furniture made out of bamboo, it will be quite expensive. The reason is simple — because they are not using Indian bamboo,” he says.

Ankit adds that he used a native variety because he wanted to keep the cost of the chair affordable and cheap.

“There is no point in making a product that the masses can’t afford. It defeats the entire sustainability angle behind the product,” he says. “Gujarat government has also released a lot of schemes for the farmers to encourage them to grow the plant,” he says.

As for the cost of funding the project, he says, “I did it out of my own pocket. I knew if I had gone out looking for funding then this would not have happened. Investors would lack confidence in the idea since it was new back then,” he says.

It took Ankit nearly two years to complete the design and make the chair.

“In 2023, I decided to go ahead and get the chair patented. The main reason behind it was to showcase the potential of native bamboo species to the world. Once my design got patented, it generated a conversation among people about the potential of bamboo,” he says.

The chair can endure 150 kg of weight and can last more than 20 years.

Speaking about the chair, Ankit explains, “The polish on the chair is done using natural oils. It can endure weights of more than 150 kg, and the furniture has also been treated to protect against any kind of insects. The life of the chair is up to 20 years,” he says.

Ankit does not want to commercialise the chair. “I’ve received numerous inquiries about whether I am selling these chairs. However, my goal is not profit or loss. My aim is to raise awareness and provide training,” he says.

“Currently, I’m working on a proposal to present to my university to initiate a program where individuals can come and learn how to make chairs and collaborate with me to create more furniture. This approach will allow me to train craftsmen in producing sustainable yet modern furniture,” he explains.

वीएनएसजीयू के विद्यार्थियों ने गेम को करवाया पेटेंट: लकड़ी से बने गेम से ब्लड सर्कुलेशन सुधरने का भी दावा

मोबाइल एडिक्शन से बचाने पेपर गेम को बनाया इनडोर गेम

सूरत. वीर नर्मद दक्षिण गुजरात विश्वविद्यालय (वीएनएसजीयू) के इंटीरियर डिजाइन के विद्यार्थियों की शोध टिक टॉक टू गेम इन दिनों विवि परिसर में आकर्षण का केंद्र बन गई है। हर कोई इस गेम को देखने व खेलने विभाग आ रहा है। विद्यार्थियों ने मोबाइल एडिक्शन से बच्चों व युवाओं को बचाने के उद्देश्य से इस पेपर गेम को फिजिकल रूप दिया है। जिसे पेटेंट भी करवा लिया गया है।

वीएनएसजीयू के इंटीरियर डिजाइन के विद्यार्थियों को प्रोडक्ट डिजाइन एंड इनोवेशन विषय के तहत एक प्रोजेक्ट बनाना होता है। प्राध्यापक अंकित चांगवाला और जेनिश वाघ के मार्गदर्शन में मिताली प्रजापति, नाकिया

वीएनएसजीयू परिसर में गेम खेलते विद्यार्थी।

पत्रिका

बस्तावाला, उमंग इसामलिया, दीप्ति रामाणी और कृष्णा धुरजिया ने मिलकर रोमन टिक टॉक टू गेम बनाया है।

गेम बनाने में लगे छह माह : विद्यार्थियों का कहना है कि जब से मोबाइल आया है, तब से लोग ज्यादातर

समय इसी पर बिताने लगे हैं। फ्री टाइम में भी परिजनों से बातचीत करने के बजाए मोबाइल में खेलते हैं। मोबाइल फोन पर एक्सओ भी सबसे ज्यादा खेला जाता है। इसके चलते अधिकतर लोग मोबाइल एडिक्शन का शिकार होने लगे

ऐसे खेलते हैं गेम

सालों से बच्चे व बड़े टाइम पास करने के लिए कागज पर क्रॉस गेम (एक्सओ) खेलते हैं। इसे पेपर गेम को इन विद्यार्थियों ने लकड़ी के बॉक्स में बनाया है। एक बड़े बॉक्स में 9 छोटे बॉक्स बनाए गए हैं। छोटे बॉक्स में एक्स और ओ की जगह भूरे और गुलाबी रंग का चित्र बनाया गया है।

जैसे पेपर पर एक्सओ गेम खेला जाती है, वैसे ही लकड़ी के बॉक्स को घुमा कर यह गेम खेलते हैं। आमने-सामने बैठकर खेले जाने वाले इस गेम में आमने-सामने दो सिक्के भी दिए गए हैं। जो खिलाड़ी जीत जाता है, वह अपने सिक्के को एक कदम आगे बढ़ाकर प्वाइंट काउंट कर सकता है।

हैं। इस एडिक्शन से बचाने के लिए छह माह तक मेहनत कर एक्सओ पेपर गेम को इंटीरियर गेम के रूप में उसे फिजिकल रूप दिया है। यह गेम मोबाइल फोन की लत से तो बचाएगा, साथ ही लकड़ी को बार-बार स्पर्श करने से ब्लड सर्कुलेशन भी सुधरेगा। इस गेम

को सरकार सम्म पेटेंट भी करवाया गया है। इसे बनाने में करीब 3000 हजार रुपये खर्च आया है। बड़ी संख्या में यह गेम बनाने पर बाजार में 500 से 700 रुपये में उपलब्ध हो सकता है। इसे और भी आकर्षक बनाने का प्रयास किया जा रहा है।

Dear Prof Ankit Changawala,

Greetings from MS Swaminathan Research Foundation (MSSRF) CABc.

I am happy to extend this invitation on behalf of our esteemed institution, The Community Agrobiodiversity Centre – Wayanad. We are hosting a Startup Meet on March 2nd, aimed at fostering the growth and development of aspiring startups in the fields of biodiversity, sustainability, and Agritech innovations.

This event will take place alongside the Annual SeedFest, a gathering that attracts a diverse array of stakeholders including farmers, Farmer Producer Organizations (FPOs), entrepreneurs, academia, and experts from various research and development institutions. It serves as a platform for sharing knowledge and insights within our community.

With your long experience working in the area sustainable craft and innovative furniture designs using bamboo, we hope that your knowledgebase and insights will be useful to aspiring and budding entrepreneurs.

We sincerely hope that you will be able to join and deliver a lecture in one of the technical sessions which will be exciting for the startups.

We look forward to welcoming you to the Startup Meet.

With warm regards

University Song

May green, propitious land of south Gujarat be hailed;
Our university set up is beauty with bliss dovetailed.

Tapi, Purna, the river Narmada, Ambika, Kaveri;
South Gujarat is so lush green in riverine silken sari.
A wreath of pearly waves of the westerly sea roars;
The soil is fertile all year graced with natural resource.

All folks are joyous, noble, and good-natured as well...
May green, propitious land of south Gujarat be hailed...

Variegated mores are of Raniparaj and Kaliparaj;
Festive are the ways of tribesmen and forest-dwellers.
Ports are humming here, every industry flourishes;
Art, craft and brotherhood what very age nourishes.

Here the modern time itself first dawned and
prevailed...
May green, propitious land of south Gujarat be hailed...

With a pinch of salt at Dandi, Gandhi defied the crown;
With Satyagrah at Bardoli, Sardar achieved renown.
The lofty song of Gujarat the poet Narmad penned;
Munshiji for ever taught what love means for the land

Dada sounded a bugle here for freedom unveiled;
May green, propitious land of south Gujarat be
hailed....

The university of south Gujarat is indeed our mother;
An oracle of truth, knowledge and infinity to nurture.
Her pride, spread, progress are dearer to us than lives;
We should win laurels for her in order that she thrives.

On the feet of learning let Parijat of devotion be dwelled;
May green, propitious land of south Gujarat be hailed;
Our university set up is beauty with bliss dovetailed.

વિશ્વવિદ્યાલય ગીત

ધન્ય ધન્ય ધરતી લીલી, મંગળ દક્ષિણ ગુજરાત,
સ્થાપિત વિદ્યાપીઠ અમારી રમ્ય અને રળિયાત.

તાપી, પૂર્ણા, સરિત નર્મદા, અમ્બિકા, કાવેરી,
લાટ સદાએ લીલાછમ નદીઓનાં પટકૂળ પહેરી.
પશ્ચિમે રત્નાકર કેરી ધૂધવે તરંગમાળ,
કુદરતની છે મહેર કે ભૂમિ બારે માસ રસાળ.

સરળ પ્રકૃતિનાં સૌ લોકો આનંદી, અભિજાત.....
ધન્ય ધન્ય ધરતી લીલી, મંગળ દક્ષિણ ગુજરાત.....

ભૃગુશ્ચિની પુણ્યભૂમિ છે, ભૃગુકચ્છ મશહુર.....
ચોયાસી બંદરના ધ્વજથી, સુરત સોમ્ય - ભરપૂર,
રામ અને શબરીને પગલે, ધન્ય ડાંગની ધરતી
કોલક, કીમ, મીઠોળા નદીઓ, નીશાદિન કલકલ કરતી.

સાત સમંદર પાર અહીંની પ્રજા ઘણી પ્રખ્યાત
ધન્ય ધન્ય ધરતી લીલી, મંગળ દક્ષિણ ગુજરાત.....

રાનીપરજ ને કાળીપરજના ભાતીગળ સંચાર,
આદિવાસી - વનવાસીઓના ઉત્સવમય વ્યવહાર.
અહીં બંદરો ધમધમતાં, ઉદ્યોગો ધમધોકાર,
કલા- કસબને ભાતૃભાવના અહીં ઉત્તમ સંસ્કાર.

અર્વાચીન સમયનું ઊગ્યું અહીં પહેલું પરભાત.....
ધન્ય ધન્ય ધરતી લીલી, મંગળ દક્ષિણ ગુજરાત.....

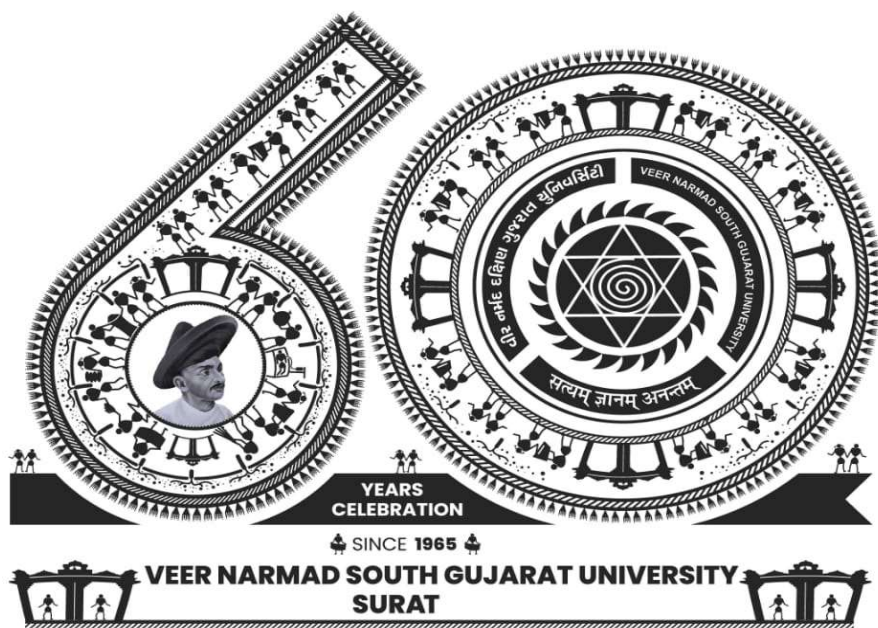

નમક લઈ ઢાંડીમાં ગાંધીએ ફેંકયો પડકાર,
બારડોલીના સત્યાગ્રહથી પંકાયા સરદાર.
કવિ નર્મદની કલમે પ્રગટ્યું ગરવું ગુર્જરી-ગીત,
મુનશીજીએ સદા શીખવી અસ્મિતા શું પ્રીત.

સ્વતંત્રતાનો દાદાએ અહીં શંખ ફેંક્યો સાક્ષાત્,
ધન્ય ધન્ય ધરતી લીલી, મંગળ દક્ષિણ ગુજરાત.....

દક્ષિણ ગુર્જર ક્ષેત્રની વિદ્યાપીઠ અમારી માતા,
સત્ય, જ્ઞાનને અનંતની એ છે ઉજ્જવલ ઉદ્ગાતા.
એનાં ગૌરવ, વિકાસ પ્રગતિ અમને પ્રાણથી વહાલાં,
એને કંઠે પહેરવીશું સિદ્ધિની જયમાલા.

વિદ્યાને ચરણે ધરીએ નિષ્ઠાનાં પારિજાત,
ધન્ય ધન્ય ધરતી લીલી, મંગળ દક્ષિણ ગુજરાત,
સ્થાપિત વિદ્યાપીઠ અમારી રમ્ય અને રળિયાત.
