## About University

Veer Narmad South Gujarat University (VNSGU) is a prominent public university located in Surat, Gujarat. Established in 1965, the university has consistently aimed to be a center of excellence in higher education, aligning its goals with regional needs and emerging global trends. The University is committed to maintain high standards in both undergraduate and postgraduate teaching, promoting research and undertaking the requisite extension activities that would reach out to every section of society.

Named after the celebrated Gujarati poet Narmadshankar Lalshankar Dave, VNSGU boasts a sprawling campus of over 210 acres. The University, re-accredited 'B++' grade with 2.86 CGPA on 4 Points scale by the National Accreditation and Assessment Council in 2022. It offers a wide range of academic programs across 12 faculties, catering to approximately 250,000 students through its 27 postgraduate departments and over 250 affiliated colleges across the entire south Gujarat region.

## **About Department of Education**

Education Department of this VNSG University has its origin from 1973. The education department is the only Grant-in-Aid institution in the entire south Gujarat Region that provide P.G. courses and Ph.D. in the education faculty. The department also has one self-finance unit for the M.Ed. programme to cater the needs of the students. The department is a Teacher Education institute. The department offers M.Ed. programme (having two units one is grant in aid and the other is self-financed) recognized by the NCTE.

The Department has the distinction of being a resourceful Teacher Education center due to the pedagogical and research contribution in the field of education. Doctoral guidance is being provided efficiently by the faculty members and about 160 Ph. D.s have been produced till to date. Many research projects have been financed by UGC, ICSSR, GUJCOST and other granting agencies. This department has renounced recognition at National and international level since its inception. Many state level, National level and International level Seminars, Workshops and Conferences are being organized.

The department has highly qualified and efficient faculty. Faculties of the Department are continuously involved in publication of books, research papers and thematic articles in various National and International journals and Magazines. The department has adequate and updated physical infrastructure.

## **About Faculty Development Program**

The Faculty Development Programme on Personalized Learning and Digital Pedagogy aims to prepare academicians for the evolving demands of 21st-century education. It focuses on learner-centered strategies, use of digital tools, and adaptive technologies to address diverse student needs. Participants will engage in curriculum redesign, interactive content creation, and innovative assessment practices to enhance teaching effectiveness. Through collaborative learning, the program seeks to foster inclusive, technology-integrated classrooms and promote continuous professional growth.

## **Objectives of the Faculty Development Program**

- To enhance theoretical and practical understanding of Personalized Learning Approaches to foster learning.
- To develop competence in Digital Pedagogical Tools and principles.
- To enable faculties to integrate Indian Knowledge Systems into personalized learning and digital pedagogy.
- To align faculty development with the goals of the National Education Policy 2020.

## Who should attend?
