Q. 1 A) Describe the main organs of speech involved in articulation and briefly explain the function of each in the production of speech sounds.

OR

Q. 1 B) Mention some pronunciation features that help improve international intelligibility. How can learners practice them?

Q. 2 A) Discuss various aspects of English language that can be taught or learnt using literature in English classrooms.

OR

Q. 2 B) Comment on literature as authentic material and the use of audio-visual materials in English classes.

Q. 3 A) Explain the concept of fossilization in second language learning. Why do certain errors persist despite instruction?

OR

Q. 3 B) Task:

1. Identify problems of cohesion and coherence in the paragraph.
2. Rewrite the paragraph to improve logical flow.
3. Suggest techniques to develop cohesive writing.

Paragraph:

Last week our department organised a seminar on communication skills for the students. Many speakers were invited and they spoke on different topics related to language and personality development. Students attended the seminar and they listened carefully to the speakers. After the seminar students discussed the topics among themselves.

The seminar was very useful. Communication skills are important for students. Such seminars help students to improve their confidence. Students should attend more seminars in future because it helps in academic and professional growth.

Q. 4 A) What role does ICT play in English teaching? Provide examples of its use and discuss its advantages and drawbacks.

OR

Q. 4 B) How can mobile apps and AI tools be effectively used for teaching English? Discuss their contributions and challenges.
