Q.3.

Read the following paragraph and answers the questions in short.

(5)

Sports are very good for our body and mind. When we play sports, we become strong and healthy. Running, football, cricket, and badminton help us stay fit. Sports also teach us discipline and teamwork. When we play in a team, we learn to help each other. Losing a match teaches us not to give up. Winning teaches us to stay humble. Sports reduce stress and make us happy. Children who play sports do better in studies too. Many great leaders were good at sports in school. In villages and cities, sports bring people together. Governments should build more playgrounds. Everyone should play at least one sports every week.

1. Name any three sports mentioned in the paragraph.
 2. What do sports teach us besides fitness?
 3. How do sports help our feelings?
 4. What should governments do?
 5. Who benefits from sports according to the paragraph?
-
