There shall be two examinations in an academic year:

August 1st /February 1st

If the date of commencement of the examination falls on Saturdays, Sundays or declared Public Holidays, the examination shall begin on the next working day.

11. ATTENDANCE REQUIREMENTS FOR ADMISSION TO EXAMINATION :

No candidate shall be permitted to appear for the examination unless he/she has put in a minimum of 80% attendance (@) during his/her period of study and training in the affiliated institution recognised by this University and produces the necessary certificate of study, attendance and progress from the Head of the institution.

12. CONDONATION OF ATTENDANCE :

There shall be no condonation of lack of attendance for the course.

13. REVALUATION OF ANSWER PAPERS:

There shall be no revaluation of answer papers. However, retotalling is allowed in the failed subjects.

14. POSTING AND TRAINING IN OUTSIDE CENTRES :*

The Head of the Post-graduate Higher Speciality Departments should make necessary arrangements for their Post-graduate candidates to undergo training in various skills in other centers within and outside the state if advanced facilities are not available in their own institutions or hospitals.

(a) The Higher Speciality students must be sent to other institutions for two months which are conducting similar MCI approved Courses in the same University or any other Universities or to a Centres of Excellence within the Country and to other allied departments for four months to acquire more knowledge and also to improve the standards of Higher Speciality courses. *

(b) The two months postings to other Institutions may be done at the end of fourth quarter of the second year or at the beginning of the first quarter of the third year according to the local needs and convenience of the Head of Department concerned. *

(c) The Higher Speciality students should be allotted to all the units equally by rotation to get training in all the units. *

(d) The Higher Speciality students should be exposed to Modern Principles of Clinical Epidemiology, Bio-statistics and Research Methodology which could be done by conducting regular courses either in the Department of

Epidemiology in the University or the University should train adequate teaching faculty to educate the students in the above lines in few regions outside Surat (Region should be comprised of nearby Medical Colleges (e.g) South, Central and Western)* _____

(e) The D.M./M.Ch, students should be made as part of their training Programme to present minimum of two papers in National Conference or minimum of one publication in a Journal at National/International level. *

(f) The D.M/M.Ch students should be encouraged to take classes for MD/MS students on various clinical programmes. *

15. NUMBER OF APPEARANCES :

Candidates who do not pass their final examination within three appearances shall undergo a further period of study and training of minimum 3 months duration in a recognised Post graduate Higher Speciality Department in the speciality in an institution approved by the Medical Council of India for very subsequent appearance.

The candidate should submit a certificate of study and training undergone from the concerned Head of the Institution to the Controller of Examinations of this University along with his/her application for admission to every subsequent examination (applicable for candidates who have failed more than 3 times)

The failed candidates will be permitted to appear for a maximum of 6 attempts with 3/5 years as the case may be from the date of completion of the course and shall be discharged from the course if he/she fails to fulfill this provision.

16. MAINTENANCE OF LOG BOOK :

a) Every Post-graduate candidate shall maintain a record of skills he/she has acquired during the training period certified by the various Heads of Departments where he/she has undergone training including outside the institution.

b) The candidate should also be required to participate in the teaching and training programme of Post-graduate and intern students.

c) In addition, the Heads of the Departments shall involve their postgraduate candidates in Seminars, Journal Clubs, Group Discussions and participation in clinical, clinico-pathological conferences.

- d) Every Post-graduate candidate should be encouraged to present short title papers in conferences and improve on it and submit them for publication in reputed medical journals. Motivation by the Heads of Departments is essential in this area to sharpen the research skills of the post-graduate candidates.
- e) The Head of the Department shall scrutinize the Log Book every three months.
- f) At the end of the course, the candidate should summarise the contents and get the Log Book certified by the Head of the Department.
- g) The Log Book should be submitted at the time of practical examination for the scrutiny of the Board of Examiners.
- h) The Log Book should contain Journal Club details, Clinical Case presentations, Procedures assisted and done independently and Papers published. These details should be mentioned date wise.*

17. DISSERTATIONS:

- a) All candidates admitted to undergo D.M/M.Ch Post-graduate Higher Speciality Degree courses shall be assigned a topic for dissertation/thesis by the head of the concerned Unit and the title of the topics assigned to the candidates be intimated to the Controller of Examinations of this University by the Head of the Department through the Head of the Institution, before end of the first year for 3 years course and at the end of the 2nd year for 5 years M.Ch (Neurosurgery) course **
- b) The dissertation/thesis shall be a bound volume of minimum 50 pages and not exceeding 75 pages of typed matter (Double line spacing and on one side only) excluding certification, acknowledgements, annexures and Bibliography.
- c) 4 copies of dissertation shall be submitted six (6) months prior to the commencement of the examinations on the prescribed date to the Controller of Examinations of this University.
- d) Two copies are to be submitted as an electronic version of the entire dissertation in a standard CD format by mentioning the details and technicalities used in the CD format.

e) The concerned Professors/Readers are to supervise and to see that the Dissertations are done properly utilizing the clinical materials of their own department/institution. The students must learn the design and interpretation of research studies, responsible use of informed consent and research methodology and interpretation of data and statistical analysis. They should seek the help of qualified staff members in the conduct of research. They must learn to use the library and computer based research. This training will help them to develop skills in planning, designing and conduct of research studies.

18. EVALUATION OF DISSERTATION :*

a) The dissertation should be approved by the Professor of that branch and the same has to be forwarded to the Controller of Examinations by the Head of the Department through the Dean/Principal of that college six months prior to practical examination and examined by a set of two examiners.

b) No marks will be allotted for dissertation in DM/M.Ch. P.G. Higher Speciality degree courses and the Board of Examiners should mark the dissertation either “Approved” or “Not Approved”

c) No grading should be given as “Good, “Very Good” or “Excellent” for the approved dissertation.

d) Two copies of the evaluation report of the dissertation should be submitted by the Examiners to the Controller of Examinations of this University.

e) If the dissertation is “Not Approved” or “Rejected” by the majority of the examiners the results shall be withheld till the resubmitted dissertation is approved.

f) If the candidate fails in the written/practical examination but his/her dissertation is “Approved, the approval of the dissertation shall be carried over to the subsequent examinations.

19. MIGRATION/ TRANSFER OF CANDIDATES:

(a) Migration/Transfer of candidates from one recognised Medical college to another recognized Medical College of this University or from another University shall not be granted unless a ‘No Objection Certificate’ is obtained from the Medical Council of India.

(b) The provision of combination of attendance shall be granted to a transferee for admission to the examinations of this University on satisfactory fulfillment of the regulations of this University.

20. RE-ADMISSION AFTER BREAK OF STUDY :
