...તરફ જાણ તેમજ અમલ સારૂ.

Ph.D. Programme in Management
(with effect from AY 2023-24)
(Full time - One Semester)

The Scheme and Courses of Study

Paper 1: Research Methodology	100 marks
Paper 2: Contemporary Issues in Management	100 marks
Paper 3: Research and Publication Ethics	100 marks

Minimum Standards for completion of Coursework

- The candidate shall be evaluated for two components in each of the papers mentioned above. These components shall be as under:
 - Internal Assessment (Term Paper(s), Assignment, Presentation, Case Study Analysis)** **50 marks**
 - External Assessment (University Examination)** **50 marks**
- A Ph. D. scholar must obtain a minimum of 55% marks or its equivalent grade in the UGC 10-point scale in the coursework to be eligible to continue in the programme and submit his or her thesis.
- University Grants commission (Minimum Standards and Procedures for Award of Ph. D. Degree) Regulations, 2022 and subsequent regulations shall be applicable in governing the Ph. D. Programme in Management.

Syllabus

Paper I: Research Methodology

Objectives:

This course addresses the issues inherent in selecting a research problem and discuss the techniques and tools to be employed in completing a research project. This will also enable the research scholars to prepare report writing, framing research proposals, and carry out data analysis.

Contents:

1. Basics of research methodology
2. Literature Review
3. Formulation of Research Problem and Research Questions
4. Research Objectives and Hypotheses
5. Research Design
6. Sampling Plan (Universe, Sampling Frame, Sampling Unit, Sample Size, and Sampling Method)
7. Measurement and Scales
8. Instrument for Data Collection
9. Field Work and Data Collection
10. Data Cleaning and Data Preparation for Analysis
11. Data Analysis (Use of various softwares for data analysis)
12. Emerging concepts in research methods.

Ph.D. Programme in Management

Syllabus

Paper - III : Research and Publication Ethics

Course Objectives:

The objectives of this course are: (1) to understand the philosophy of science and ethics, research integrity and publication ethics; (2) to identify research misconduct and predatory publications; and (3) to make the research scholars aware about plagiarism issues in research and publication

Module-1- Philosophy and Ethics in Research

Introduction to philosophy- Definition, Nature, Concept, scope, Branches; Ethics in research- Definition, moral philosophy, nature of moral judgment

Module-2- Scientific Conduct in Research

Intellectual Honesty-Concept; Research Integrity-Concept; Scientific Misconduct-Falsification, Fabrication and Plagiarism (FFP); Selective Reporting & Misrepresentation of data

Module-3-Publication Ethics & Publication Misconduct

Publication ethics-Meaning, definition, importance; Conflict of Interests; Violation of publication ethics, authorship & contributor ship; Identification of publication misconduct- Complaints, appeals, and cases

Module-4-Database and Research Metrics

Indexing database; Citation; Interpretation of journal reports with impact factor; Metrics: H-Index, G-Index, i10 Index, Altmetrics

Module-5- Plagiarism Issues in research & Software Awareness

Plagiarism-Meaning, types-steps to avoid plagiarism, plagiarism checker; Software tools used in research.

Detailed Topics to be covered

How research can contribute for the development of individual & society.

Philosophy

What is Philosophy- Meaning of Philosophy; Nature of Philosophy; Link between Philosophy & other discipline; Importance of Philosophy; Why study philosophy; Branches of Philosophy

Ethics with respect to science & research, scientific reporting & ethical tips for authorship

Types of literature; Review process; Types of journals

Plagiarism Issues (ethics in research)

What is Citation; What is plagiarism; Types of plagiarism; Steps to avoid plagiarism; List of softwares; plagiarism checkers- free & paid; Use of plagiarism checker

Research and publication ethics: Scientific misconduct- Falsification, Fabrication and Plagiarism (FFP)

What is research-Meaning; Characteristics of a good researcher; Scientific Misconduct- Falsification, Fabrication and Plagiarism (FFP); How to cite- Quote/paraphrase/summarize; Overview of journal selection- Role of a journal; Consideration for the selection of a journal; Types of articles; Cover letters

Best practices in reaserch

Intellectual Honesty-Meaning, Background, Concept-Linkage with research designs, research problem & questions

Intellectual Honesty and Research Integrity

Meaning- Intellectual Honesty, Research Integrity; Academic honesty & integrity; Principles of Research Integrity; Academic Intellectual Dishonesty- Integrity vs. Dishonesty; Plagiarism- Types of plagiarism- Fabrication-charting-Assisting-Tampering-Substitution/Personation-Unauthorised; collaboration- Deception-Subotage-Duplicity-Collusion; Responsible conduct of Research

A brief history of scholarly electronic communication and the evolution of the scholarly scientific journals

Communication: Evolution of Scholarly Journals (Scientific); Coming of Web; Mushrooming of E-journals; Role of Electronic Media in supporting Scholarly communication; Open Access repositories of Thesis; Academic Publishing; OA vs CA; The open Access movement-Advantages & isadvantages of open access; E-repositories

Conflict of Interest

Conflict of Interest & Bias-Meaning; Editor's responsibility to authors; How COL will be dealt with by the journal

Selective reporting and misinterpretation of data

Spectrum of research practice; Determinants of bad practices; Why does selective reporting or misinterpretation of data occur

Publication Misconduct: Meaning, concept, Why is publication needed, its importance; Inappropriate authorship (on the basis of types of authorship); Overlapping authorship

Research & Publication Ethics

Importance of ethics in research; Principles of ethics (ethical principles)

Quality Evaluation and Ethics in research & publication

Ethics in research & publication; Research, publication and quality assessment; Citation Index

H-Index; Impact Factor; What is Indexing; Relevant online abstracting & indexing services; Index Copernicus; Immediacy index; G-Index

Sherpa Romeo- Software
