CORRIGENDUM - 1

File No: Z-87/2024-AHS-DOHFW-N&D Curriculum

New Delhi, the 10th April, 2026

It is hereby notified that the following corrections are made in the Competency based curriculum for **Nutrition and Dietetics** released vide notice dated 24.04.2025 (uploaded on the Commission's website). The revised entries shall be read in place of the existing ones as indicated below:

Sl No	Details	Pg No	Para No	Existing	Revised
1.	Steps undertaken in the curricula review process	22	-	A stipend of a reasonable amount can be considered to be paid for internship to students. The amount and details can be decided by the council as per the category of healthcare facility.	All students shall be paid stipend during their internship as decided by the respective State allied and Healthcare Council.
2.	Bachelor in Nutrition and Dietetics (Honours) Eligibility for admission	50	1	Selection Procedure: He/she has passed the Higher Secondary (10+2) or equivalent examination recognized by any Indian University or a duly constituted Board with pass marks (50%) in physics, chemistry, biology/ mathematics. Admission is done based on the NEET exam / equivalent exam conducted by the Government of India (for both UG and PG programs) followed by a counselling session.	Selection Procedure: • Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry, Biology with 50 % Marks & English. • Admission on the basis of Senior Secondary (10+2) Merit.
3.		50	2	Candidates who have studied abroad and have passed the equivalent qualification as determined by the Association of Indian Universities will form the guideline to determine the eligibility and must have passed the subjects: Physics, Chemistry, Biology, Food, Nutrition and Dietetics, and English up to 12th Standard	Foreign students' admission process in Under Graduate(UG): i. Foreign national students intending to study UG program in India, shall have to take equivalence certificate of eligibility certificate from respective State Allied and Healthcare Council.

Sl No	Details	Pg No	Para No	Existing	Revised
				level with pass marks (equivalence to) 50% in physics, chemistry, and biology.	ii. For Under Graduate admission of foreign national students, merit list will be based on University Entrance Exam. iii. Verification of Valid Visa and valid Visa duration of foreign national students, to be verified by respective institution & University before enrolling students for program.
4.		50	4	He/she has attained the age of 17 years as on 31st December of the year of admission.	He/she has completed 17 years of age at the time of admission or will complete that age on or before 31 December of the year of his/her admission to the first year of the Undergraduate Allied and Healthcare Course.
5.		50	-	To be inserted under Selection Procedure	6. Medical fitness certificate is mandatory to submit and it is to be endorsed by Government medical officer. 7. Reservation policy for admission in under graduate programs shall be as per the State/Centre Government norms. 8. The admission criteria shall be updated by the Commission from time to time. 9. Admission process shall be conducted by State/Union Territory/ University.
6.	Masters in Nutrition and Dietetics Eligibility for admission	241	-	Bachelor of Nutrition and Dietetics in Honours or equivalent from a recognised university with a minimum 5.5 CGPA.	Candidates must have passed Bachelor in Nutrition and Dietetics (Honours)/ B.Sc Nutrition and Dietetics (Honours)/ B.Sc Food

882

Course Plan - BND 104 Environmental Science

Unit	Topic	Existing Hours	Revised Hours
1.	Multidisciplinary nature of environmental studies- Definition, scope and importance. Natural resources- Renewable and non-renewable resources and their associated problems. Forest resources- Use and over-exploitation, deforestation, timber extraction, mining, dams and their effects on forest and tribal people Water resources- Use and over-utilization of surface and ground water, floods, drought, conflicts over water, dams-benefits and problems. Mineral resources- Use and exploitation, environmental effects of extracting and using mineral resources. Food resources-World food problems, changes caused by agriculture and overgrazing, effects of modern agriculture, fertilizer-pesticide problems, water logging, salinity.	6	9
2.	Energy resources- Growing energy needs, renewable and non-renewable energy sources, use of alternate energy sources. Land resources- Land as a resource, land degradation, man induced landslides, soil erosion and desertification. Role of an individual in conservation of natural resources, equitable use of resources for sustainable lifestyles. Ecosystems- Concept, structure and function of an ecosystem. Producers, consumers and decomposers, energy flow in the ecosystem, ecological succession. Food chains, food webs and ecological pyramids. Introduction, types, characteristic features, structure and function of forest, grassland, desert and aquatic ecosystems.	6	9
3.	Biodiversity and its conservation- Introduction, definition, genetic, species, ecosystem diversity and biogeographical classification of India. Value of biodiversity- Consumptive use, productive use, social,	6	9

			ethical, aesthetic and option values. Biodiversity at global, national and local levels, India as a mega-diversity nation. Hot-spots of biodiversity. Threats to biodiversity- Habitat loss, poaching of wildlife, man-wildlife conflicts, endangered and endemic species of India. In-situ and Ex-situ conservation of biodiversity. Environmental pollution- Definition, cause, effects and control measures of air, water, soil, marine, noise and thermal pollution and nuclear hazards. Solid waste management- Causes, effects and control measures of urban and industrial wastes. Role of an individual in prevention of pollution.				
4.			Social issues and the environment- Unsustainable to sustainable development, urban problems related to energy. Water conservation, rain water harvesting, watershed management. Environmental ethics-Issues and possible solutions, climate change, global warming, acid rain, ozone layer depletion, nuclear accidents and holocaust. Environment protection acts- Air (Prevention and control of pollution) act, water (Prevention and control of pollution) act, wildlife protection act, forest conservation act, Issues involved in enforcement of environmental legislation, public awareness. Human population and the environment- Population growth, variation among nations, population explosion. Role of Information Technology in environment and human health.	6	9		
5.			Natural disasters- Meaning and nature, types (floods, drought, cyclone, earthquakes, landslides, avalanches, volcanic eruptions, heat and cold waves, global warming, sea level rise, ozone depletion) and effects. Man-made disasters- Nuclear, chemical, and biological disasters, building fires, coal fires, forest fires, oil fires, road accidents, rail accidents, air accidents, and sea accidents. Disaster management- International strategy for disaster reduction at national and global levels; National disaster management framework-Financial arrangements, role of NGOs, community-based organizations and media, central, state, district and local administration, armed forces in disaster response, police and other organizations. Feeding the people struck by the disaster, managing house and dress need during disaster.	6	9

Semester	VI	
Course Name	BND 602 Sustainable Food Systems	
Course Description	Sustainable food systems course is to understand the food from production to consumption, emphasizing, ecological sociological and economic dimensions, global and local challenges in creating resilient sustainable food systems.	
Objectives	1. Students would be introduced the concept of Food Systems, Sustainable Diets for improved health & Nutrition outcomes 2. Students will be able to understand the need to create food systems approach for promotion of healthy diets 3. Students will learn the importance of developing sustainable and resilient food systems and policy options for the same 4. Students will be able to understand the burden of disease due to unsafe food consumption & learn methods to keep food safe, identify potentially hazardous food & establish linkages between microbial activity, product quality safety, and practical management of these needs.

 Secretary, NCAHP

Government of India
Ministry of Health & Family Welfare
National Commission for Allied Healthcare Professions

2nd Floor, Academic Block, NIHFWS Campus,
Munirka, New Delhi – 110 067
Date:09.01.2026

To,

The Secretary,
University Grants Commission (UGC),
Bahadur Shah Zafar Marg,
New Delhi – 110002.

Subject: Degree, admission criteria and other details for allied and healthcare professional programmes.

Sir/Madam,

1. The undersigned is directed to refer the notices dated 24.04.2025, 15.10.2025, 29.10.2025, 12.11.2025 and 26.12.2025, issued by the National Commission for Allied and Healthcare Professions (NCAHP). The Commission has approved the various curricula under NCAHP Act, 2021 and uploaded the same on the official website of the Commission. The said curricula have to be mandatorily adopted from the Academic Year 2026–27.
2. The degree, admission criteria and other details in various allied and healthcare programmes, is attached as **Annexure-1** for ready reference. These details including for other allied and healthcare programmes shall be updated by the Commission from time to time with releasing of the other curricula.
3. In this regard, the University Grants Commission (UGC) is requested to ensure that all universities and institutions under its purview shall adhere to the aforesaid programme wise degree, admission criteria and other details (Annexure-1), as prescribed by the National Commission for Allied and Healthcare Professions (NCAHP) for allied and healthcare programmes, with effect from the Academic Year 2026–27.
4. This issues with the approval of the competent authority.

Encl: As Above

Yours faithfully,

(Rajender Singh Sidhu)
Under Secretary, NCAHP

Copy to: - For information and necessary actions pl.

1. Additional Chief Secretary/ Principal Secretary / Secretary (Health) of all States/UTs
2. Secretary, Central Board of Secondary Education, New Delhi
3. All State Councils for Allied and Healthcare Professions
4. The Chairperson, National Testing Agency (NTA)

5. Foreign students' admission process in Under Graduate(UG)/ Post Graduation(PG) / PhD:
 - i. Foreign national students intending to study UG/PG program in India, shall have to take equivalence certificate of eligibility certificate from respective State Allied and Healthcare Council.
 - ii. For Under Graduate/ Post Graduation/ PhD admission of foreign national students, merit list will be based on University Entrance Exam.
 - iii. If eligibility criteria of admission is NEET appeared then the foreign national student is require to appear in NEET.
 - iv. Verification of Valid Visa and valid Visa duration of foreign national students, to be verified by respective institution & University before enrolling students for program.
6. The admission criteria shall be updated by the Commission from time to time.
7. Admission process shall be conducted by State/Union Territory/University.

Government of India

Ministry of Health & Family Welfare

National Commission for Allied Healthcare Professions

2nd Floor, Academic Block, NIHFWS Campus,
Munirka, New Delhi – 110 067

Date: 09.01.2026

To,

The Secretary,
University Grants Commission (UGC),
Bahadur Shah Zafar Marg,
New Delhi – 110002.

Subject: Degree, admission criteria and other details for allied and healthcare professional programmes.

Sir/Madam,

1. The undersigned is directed to refer the notices dated 24.04.2025, 15.10.2025, 29.10.2025, 12.11.2025 and 26.12.2025, issued by the National Commission for Allied and Healthcare Professions (NCAHP). The Commission has approved the various curricula under NCAHP Act, 2021 and uploaded the same on the official website of the Commission. The said curricula have to be mandatorily adopted from the Academic Year 2026–27.
2. The degree, admission criteria and other details in various allied and healthcare programmes, is attached as **Annexure-1** for ready reference. These details including for other allied and healthcare programmes shall be updated by the Commission from time to time with releasing of the other curricula.
3. In this regard, the University Grants Commission (UGC) is requested to ensure that all universities and institutions under its purview shall adhere to the aforesaid programme wise degree, admission criteria and other details (Annexure-1), as prescribed by the National Commission for Allied and Healthcare Professions (NCAHP) for allied and healthcare programmes, with effect from the Academic Year 2026–27.
4. This issues with the approval of the competent authority.

Encl: As Above

Yours faithfully,

(Rajender Singh Sidhu)
Under Secretary, NCAHP

Copy to: - For information and necessary actions pl.

1. Additional Chief Secretary/ Principal Secretary / Secretary (Health) of all States/UTs
2. Secretary, Central Board of Secondary Education, New Delhi
3. All State Councils for Allied and Healthcare Professions
4. The Chairperson, National Testing Agency (NTA)
