The project under this tender shall be executed under strict supervision and instructions of the Consultant deployed by VNSGU The Contractor shall carry out the instructions of the Consultant.

IT-32. DISPUTES :

Any dispute arising out of this Contract shall be subject to SURAT JURISDICTION only.

IT-33. SETTLEMENT OF DISPUTES:

Except or otherwise specifically provided in the contract, all disputes concerning question of fact arising under the contract shall be decided by the Engineer in Charge of VNSGU/Consultant, subjected to a written appeal by the Contractor to the Engineer in Charge of VNSGU/Consultant and these decisions shall be final and binding on the parties hereto. Any disputes or difference including those considered as such by only one of the parties arising out of or in connection with this contract shall be to the extent possible settled amicably between the parties. If amicable settlement cannot be reached then all disputed issues shall be settled as provided in (a).

(a)DISPUTES OR DIFFERENCE TO BE REFERRED TO:

If at any time, any question, disputes or differences of any kind whatsoever shall arise between the Engineer in Charge of VNSGU/Consultant and the Contractor upon or in relation to or in connection with this contract, either party may forthwith give to the other, notice in writing of the existence of such question, dispute of difference as to any decision, opinion, instruction, direction certificate or evaluation of the Engineer in Charge of VNSGU/Consultant.

The question or difference shall be settled by the Registrar, VNSGU (or Building Committee of VNSGU), who shall state his decision in writing and give notice of same to the Engineer in Charge of VNSGU/Consultant and to the Contractor such decision shall be final and binding upon both parties to the contract and work on contract if not already breached or abandoned shall proceed normally unless and until the same shall be revised (or upheld) due to any judicial proceeding.

Should the Registrar, VNSGU (or Building Committee of VNSGU) fail to give a decision within three (3) calendar months after issuance of notice of a question, dispute or difference or if the Contractor is dissatisfied with any such decision of the Registrar, VNSGU, and then the matter may be referred to court of law subject to SURAT JURISDICTION.

IT-34. TERMINATION OF THE CONTRACT:

1. If the Contractor finds it impracticable to continue operation owing to Force Manure reasons or for any reason beyond his and/or the Registrar, VNSGU (or Building Committee of VNSGU) find site impossible to continue operation when prompt notification in writing shall be given by the party affected to the other.
2. If the delay or difficulties so caused cannot be expected to cease or become unavoidable or if operations cannot be resumed within six (6) months the party shall have the right to terminate the contract upon Ten (10) days written notice to the other. In the event of such termination of the contract, payment to the Contractor will be made as follows: s'
 - a) The Contractor shall be paid for all works approved by the Engineer in Charge of VNSGU/Consultant and found to be as per specification/detail given and can be verified by VNSGU if required through applicable and rational NDT and other tests from NABL accredited agency. Also any other legitimate expenses due to him shall be paid.
 - b) If the Registrar, VNSGU terminates the contract owing to Force Manure or due to any cause beyond its control, the contractor shall additionally be paid for any work done (approved by the Engineer in Charge of VNSGU/Consultant and found to be as per specification/detail given and can be verified by VNSGU if required through applicable and rational NDT and other tests from NABL accredited agency) during the said Six (6) months period including any financial commitment made for the proper performance of the Contract and which are not reasonable defrayed by payment under (a) above;
 - b) The Registrar, VNSGU also release all bonds and guarantees at its disposal except is cause where the total amount of payments made to the contractor exceeds the final amount due to him in which case the contractor shall refund the excess amount within Sixty (60) days after termination and the Registrar, VNSGU thereafter shall release all bonds and guarantees, should the contractor fail to refund the amount received in excess within the said period such amounts shall be deducted from the bonds or guarantees provided.
3. On the termination of the contract for any cause the contractor shall see the orderly suspension and termination of operations, with due consideration to the interests of the Veer Narmad South Gujarat University with respect to completion, safeguarding or storing of materials procured for the performance of the contract and the salvage and resale thereof.

- 01.21 "Final Test Certificate" shall mean the Final Test Certificate, issued by the Owner within the provisions of the Contract.
- 01.22 The "Completion Certificate" shall mean a certificate to be issued by the Engineer-in-Charge when the Work has been completed to his satisfaction.
- 01.23 The "Final Certificate" shall mean the final certificate issued by the Engineer-in-Charge after the Work is finally accepted by the Owner.
- 01.24 "Defect Liability Period" shall mean the specified period between the issue of "Completion Certificate" and the "Final Certificate" as specified in the tender.
- 01.25 "Approved" & "Approval" shall mean approved in writing, including subsequent modification/s in writing of previous verbal approval and "Approval" shall mean approved in writing, including as aforesaid.
- 01.26 "Letter of Acceptance" shall mean an intimation by a letter to the Tenderer that the Tender has been accepted in accordance with provisions contained therein.
- 01.27 "Order" and "Instruction" shall respectively mean any written order or instruction given by the Engineer-in-Charge, within the scope of his powers in terms of the Contract.
- 01.28 "Running Account Bill" shall mean a Bill for the payment of "On Account" money to the Contractor during the progress of Work on the basis of Work done and the non-perishable Materials : to be incorporated in the Work supplied by the Contractor.
- 01.29 "Security Deposit" shall mean the deposit to be held by the Owner as security for the due performance of Contractual obligations.
- 01.30 Retention Money shall mean the money retained from R. A. Bill for due completion of "Net Work".
- 01.31 Unless otherwise Specifically stated, the masculine gender shall include the feminine and natural genders and vice versa and the singular shall include the plural and vice-versa.

GC-02 LOCATION OF SITE AND ACCESSIBILITY :

The site of the Work is within the limits of Veer Narmad South Gujarat University. It is served by all weather roads and Western Railway Broad Gauge line. The intending Tenderer shall inspect the site and make himself familiar with site conditions and available communication facilities.

Non availability of access / roads shall in no case be the cause to condon any delay in the execution of the Work or be the cause for any claims or extra compensation.

GC-03 SCOPE OF WORK :

The scope of Work is defined broadly in the Special Conditions of Contract and Specifications. The Contractor shall provide all necessary Materials : equipment and labour etc. for the execution and of the Work till completion. All Materials : required for the Work shall be approved by the Engineer-in-Charge prior to procurement and use.

LAND FOR CONTRACTOR'S FIELD OFFICE, GODOWN & WORKSHOP:

The Owner shall not be in a position to provide land required for the field office, godown, Workshop, etc. of the Contractor. The Contractor shall have to make his own arrangement for the same. No land shall be provided by the Owner to the Contractor for constructing his labour and supervisory camp and other service facilities.

GC-04 RULING LANGUAGE :

The language according to which the Contractor shall be instructed and interpreted shall be English. All entries in the Contract Document and all correspondence between the Contractor and the Veer Narmad South Gujarat University or the Engineer-in-Charge shall be in English. All dimensions for the Materials : shall be given in metric units only.

GC-05 INTERPRETATION OF CONTRACT DOCUMENT :

- 05.01. The provisions of the General Conditions of Contract and Special Conditions of Contract shall prevail over those of any other documents of the Contract, unless Specifically provided otherwise. Shall there be any discrepancy, inconsistency error or omission in the several documents forming the Contract, the matter may be referred to the Engineer-in-Charge for his instructions and decision. The Engineer-in-Charge's decision in such case shall be the final and binding to the Contractor.
- 05.02. Works, shown upon the drawings but not described in the Specifications, or described in the Specific Specifications, without showing the same on the drawings, shall be taken as described in the Specifications and shown on the drawings.
- 05.03. The heading and the marginal notes to the clauses of those General Conditions of Contract or to the Specifications or to any other part of Tender Document are solely for the purpose of giving a concise indication and not a summary of contents thereof or be used in the interpretation or construction thereof of the Contract.
- 05.04. Unless otherwise stated Specifically, in this Contract Document, the singular shall include the plural and vice versa, wherever the context so requires. Work implementing persons shall include relevant corporate companies / registered associations / body of individual / firm of partnership.
- 05.05. Notwithstanding the sub-divisions of the documents into separate sections and volumes, every part of each section shall be supplementary to and complementary of every other part, and shall be read with and into the context so far as it may be practicable to do so.
- 05.06. Where any portion of the General Conditions of Contract is repugnant to or at variance with any provisions of the Special Conditions of Contract, then, unless a different intension appears, the provisions of the Special Conditions of Contract shall be deemed to override the provisions of General conditions of Contract, and shall to the extent of such repugnancy or variance prevail.

- 05.07. The Materials, design and Workmanship : shall satisfy the relevant I. S. S. and Codes referred to. If Additional requirements are shown in the Specifications, the same shall be satisfied over and above I.S.S. and Codes.
- 05.08. If the Specifications mention that the Contractor shall perform certain Work or provide certain facilities, it shall mean that the Contractor shall do so at his own cost.
- 05.09. The correctness of the details given in the Tender Document is not guaranteed. The Contractor shall independently obtain all necessary information while preparing and submitting the tender. The Contractor shall be deemed to have examined the Contract Documents, to have generally obtained his own information in all matters which may affect the carrying out of the Work or the tendered rates. Any error in description of quantity or commission therefrom shall not vitiate the Contract or release the Contractor from executing the Work comprised in the Contract according to the Drawings and Specifications at the tendered rates. He is deemed to have known the scope, nature and magnitude of the Work, and the requirements of Materials : and labour involved and as to the total Work he has to complete in accordance with the Contract, what so ever be the defects, omissions, or errors that may be found in the Contract documents. The Contractor shall be deemed to have visited the site and the surroundings, to have satisfied himself to the nature of all existing structures, if any, and also as to the nature and the conditions of railways, roads, bridges and culverts, means of transport and communications, whether by land, air or water and as to possible interceptions thereto and the access and egress from the site, to have made inquiries, examined and satisfied himself as to the locations of sources for obtaining sand, stones, bricks and other required Materials :, the sites for disposal of surplus Materials :, the available accommodation as to whatever required, the depicts and such other buildings as may be necessary for executing and completing the Work, to have local independent inquiry as to the subsoil, subsoil water and variation thereof, storms, prevailing winds, climatic conditions and all other similar matters affecting the Work. He is deemed to have acquainted himself as to his liability for payment of government taxes, customs duty and other charges.

Any neglect or failure on the part of the Contractor in obtaining necessary and reliable information about the forgoing or any other matter affecting the Contract shall not relieve him from any risks or liabilities or the entire responsibility from completion of the Work at the tendered rates and time in strict accordance with the Contract Document.

No verbal Agreement or inference from conversation with any officer or employee of the Owner, either before or after the execution of the Contract Agreement shall, in any way effect or modify any of the terms of obligations herein contained.

GC-06 CONTRACTOR TO UNDERSTAND HIMSELF FULLY ;

The Contractor by tendering shall be deemed to have satisfied himself, as to consideration and circumstances affecting the tender price, as to the possibility of executing the Work as shown and described in the Contract and to have fixed his prices according to his own view on these matters and to have understood that no additional allowances except as otherwise expressly provided, shall be made beyond the Contract Price. The Contractor shall be responsible for any misunderstanding or incorrect information given in writing by the Engineer-in-Charge.

GC-07 ERROR IN SUBMISSION :

The Contractor shall be responsible for any errors or omissions in the particulars supplied by him. Whether such particulars have been approved by the Engineer or not, provided that such discrepancies, errors or omissions be not due to inaccurate information or particulars furnished in writing to the Contractor by the Owner or the Engineer-in-Charge.

GC-08 SUFFICIENCY OF TENDER :

The Contractor shall be deemed to have satisfied himself before tendering as to the correctness of the tender rates, which rates shall, except as or other wise provided for, cover all the Contractor's actual liabilities and obligations set forth or implied in the Contract for the proper execution of the Work for compliance with requirements of Article GC-19 thereof.

GC-09 INSPECTION OF THE WORK :

- 09.01. The Engineer-in-Charge shall have full power and authority to inspect the Work at any time, wherever in progress, either on the site or at the Contractor's any other manufacturers Workshop/s or factories wherever situated, and the Contractor shall afford for Engineer-in-Charge every facility and assistance to carry out such inspection. Contractor or his authorized representative shall, at all time during the usual Working hours and all other times when so notified, remain present to receive orders and instructions, orders given to the Contractor's representative shall be considered to have the same force as if they had been given to the Contractor himself. Contractor shall give not less than seven (7) days' notice in writing to the Engineer-in-Charge before covering up or otherwise placing beyond reach of inspection and measuring any Work in order that the same may be inspected and measured. In the event of breach of the above, the same shall be reopended & its cost shall be recovered at the Contractor's expense for carrying out such inspection or measurement.
- 09.02. No material shall be dispatched from Contract Store on site of the Work before obtaining approval in writing of the Engineer-in-Charge, Contractor shall provide at all time, during the progress of Work and maintenance period proper means of access with ladders, gangways, etc. and the necessary attendance to move and adopt as directed for inspection or measurement of the Work by Engineer-in-Charge.

GC-10 POWER OF ENGINEER TO GIVE FURTHER INSTRUCTIONS :

The Engineer-in-Charge shall have the power and authority, from time to time and at all times, to give further instructions and directions as may appear to him necessary or proper for the guidance of the Contractor and the Work and efficient execution of the Work according to the terms of the Specifications, and the Contractor shall receive, execute, obey and be bound by the same, according to the true intent and meaning thereof, as fully and effectually, as though the same had accompanied or had been mentioned or referred to in the Specifications. No Work which radically changes the original nature of the Contract, shall be ordered by the Engineer-in-Charge and in the event of any deviation being ordered, which in the opinion of the Contractor changes the original nature of the Contract, shall, nevertheless, carry it out and any disagreement as to the nature of the Work & the rate to be paid thereof shall be resolved. The time of completion of the Work, in the event of any deviations, resulting in additional cost over the Contract sum being ordered, then be extended or reduced reasonably by the Engineer-in-Charge. The Engineer-in-Charge's decision in the cases shall be final and binding to the Contractor.

GC-11 CONTRACT AGREEMENT :

The successful Tenderer shall when called upon to do so, enter into and execute the Contract Agreement within fifteen (15) days of the Notice of Award, in the form shown in Tender Document with such modifications as may be necessary in the opinion of the The Registrar. It shall be incumbent on the Contractor, to pay the stamp duty and the legal charges for the completion of the Contract Agreement.

GC-12 FORFEITURE OF SECURITY DEPOSIT :

Whenever any claim arises against the Contractor for the payment of a sum of money out of or under the Contract, the Owner shall be entitled to recover such sum by appropriating in part of whole, the Security Deposit of the Contractor. In case the Security Deposit is insufficient, the balance recoverable shall be deducted from any sum then due or which at any time thereafter, may become due to the Contractor, the Contractor shall pay to the Owner on demand any remaining may balance due.

GC-13 NOTICES :

Any notice under this Contract may be served on the Contractor or his duly authorised representative at the job site or may be served by registered post direct to the official address of the Contractor proof of issue

of any such notice could be conclusive of the Contractor having been duly informed of all contents therein.

GC-14 RIGHT OF VARIOUS INTERESTS :

The Owner reserves the right to distribute the Work between more than one Contractor. Contractor shall co-operate and afford reasonable opportunity to other Contractors for access to the Work for the carriage and storage of Materials : and execution of their Works.

Wherever the Work being done by any department of the Owner or by other Contractor employed by the Owner is contingent upon Work covered by this Contract, the respective rights of the various interests shall be determined by Engineer-in-Charge to secure the completion of various portions of the Work in general harmony.

GC-15 PRICE ADJUSTMENT DUE TO VARIATION :

Not applicable. **No Price Escalation shall be paid.**

GC-16 DEFAULT OF CONTRACTOR :

- 18.01. The Veer Narmad South Gujarat University may upon written notice of default to the Contractor terminate the Contract in circumstance detailed hereunder :
- 18.02.
